Director General, Vigilance & Enforcement Department

Government of Telangana,

BRKR Bhavan / Secretariat, Hyderabad.

Subject: Complaint seeking registration of a Preliminary Vigilance Enquiry into prima facie administrative irregularities, suppression/non-production of material records, prolonged administrative delay, contradictory departmental records, and possible dereliction of duty concerning the death in harness of Late Sri G. Krishna Murthy, Sub-Inspector of Police, Hyderabad City Police. -Reg.

* * *

Respected Sir,

1. I am the son of Late Sri G. Krishna Murthy, who was promoted as Sub-Inspector of Police in 1985, served in the Special Investigation Team (SIT) attached to Trimulgherry Police Station, Hyderabad City Police, and died in harness on 03.02.2001 while in Government service.
2. This complaint is not intended to seek compassionate appointment, Line of Duty declaration, extraordinary pension benefits or any service benefit from the Vigilance authorities but seeks an independent vigilance enquiry into serious administrative irregularities, record inconsistencies and procedural lapses that have emerged from official records.
3. The present complaint is founded upon departmental records, Collectorate records, RTI replies, Government correspondence and official proceedings obtained over more than two decades, which collectively disclose several matters requiring independent vigilance verification.
4. The administrative handling of this case involved multiple public authorities including Hyderabad City Police, Hyderabad District Collectorate, Revenue and DGP Office, requiring examination of inter-departmental decision-making and record management.
5. The available departmental records describe Late Sri G. Krishna Murthy as having performed General Duty, whereas the contemporaneous newspaper report and Police Struck-Off proceedings indicate that he was serving as a Sub-Inspector attached to the Special Investigation Team (SIT) and deployed on Rakshak Mobile (North Zone) during active night duty. These records require independent verification to establish the exact duty assignment, operational deployment, reporting hierarchy and contemporaneous official records relating to his final duty.

6. The death admittedly occurred during official night duty. The Preliminary Enquiry may verify what statutory, departmental or administrative procedure was followed immediately after the incident, whether any fact-finding exercise, departmental enquiry, inquest or other proceedings were initiated, who authorised the procedure adopted, what records were generated, and whether the issue of Duty Nexus was ever examined contemporaneously.
7. The administrative decision to treat the death as a natural death due to cardiac arrest requires verification as to whether such classification was supported by any contemporaneous departmental assessment examining the official duty performed, operational circumstances, cumulative occupational stress, medical vulnerability, contemporaneous station records, supervisory reports and the existence or otherwise of Duty Nexus under the applicable service rules.
8. Immediately after the death, police widow Smt. G. Bhavani submitted an application for compassionate appointment on 19.03.2001, demonstrating prompt pursuit of the family's statutory claim without delay attributable to the dependants.
9. The Police Department verified her educational qualification and found her eligible for consideration as Junior Assistant in a subordinate office before forwarding the proposal to the Hyderabad District Collector, requiring verification of whether the matter was processed within the prescribed Government policy.
10. The continuation of the proceedings until 2007, including cancellation of the earlier Nursing Orderly proposal and consideration of appointment as Junior Assistant, indicates that the competent authorities themselves did not treat the applicant as having abandoned or declined Government employment.
11. Proceedings dated 17.10.2005 in File No. A4/6169/2004 contemplated consideration of Smt. G. Bhavani for appointment as Junior Assistant. Thereafter, willingness was obtained, certificates were submitted, nativity and local status were verified, and the applicant was directed to await availability of a vacancy. However, the records presently available to the complainant do not disclose any posting order or reasoned speaking order implementing or formally concluding the said proceedings.
12. Whether File No. A4/6169/2004 was ever lawfully concluded through a reasoned speaking order after the availability of vacancy in 2007; if so, where such order is presently available, whether it was communicated to the applicant, and if not, on what authority the file remained under active administrative

consideration for years without implementation of the proceedings dated 17.10.2005 or formal closure in accordance with law.

13. Later Service Particulars prepared in 2006 as part of the active compassionate appointment proceedings before the Hyderabad District Collector described the deceased as a Police Constable in 1994, despite records indicating that he had been promoted as Sub-Inspector of Police in 1985, raising serious concerns regarding the accuracy and integrity of official service records which, if relied upon in subsequent administrative decisions, may have materially affected the processing of the compassionate appointment case and requiring verification of whether subsequent administrative decisions were influenced by the incorrect service particulars.
14. The original Family Member (Legal Heir) Certificate issued by the MRO, Malkajgiri and submitted during the compassionate appointment proceedings has not been returned to the family and is presently not traceable, requiring verification of its custody, movement and present status.
15. The Police Struck-Off proceedings refer to official correspondence and reference letters that have not been furnished to the family, requiring verification of the complete file, note sheets and connected departmental records.
16. The rejection communicated in 2022 requires verification as to whether the competent authority independently examined the complete administrative history commencing from 19.03.2001, including the proceedings dated 17.10.2005, File No. A4/6169/2004, the applicant's compliance with all conditions, applicable Government Orders including Rule 31 (where applicable), and the possibility of treating the case as a special case, or whether the rejection was based merely upon an abbreviated departmental note or recommendation without examination of the complete historical record.
17. The cumulative documentary record discloses prima facie circumstances indicating prolonged administrative delay, inconsistent official records, non-implementation of the Hyderabad District Collector's proceedings issued in 2005 despite compliance by the applicant, and possible failure to consider material records and applicable Government Orders before taking important administrative decisions.
18. Whether the department record contains any contemporaneous administrative examination of Duty Nexus, despite the deceased admittedly being on official duty at the time of the fatal cardiac event, and if no such examination was undertaken, the authority responsible for treating the death as a routine natural death

without recording reasons for not examining the impact of official duty, cumulative occupational stress and operational deployment and if no such examination exists, the reasons recorded by the competent authority for omitting such consideration.

19. The above circumstances collectively disclose prima facie grounds warranting vigilance examination to determine whether suppression or non-production of material official records, arbitrary exercise of administrative discretion, dereliction of duty, violation of applicable Government Orders, record-management deficiencies, or any other administrative misconduct occurred during the handling of this case.
20. It is therefore respectfully prayed that the Director General, Vigilance & Enforcement Department, Government of Telangana, may be pleased to register a Preliminary Vigilance Enquiry, secure all original records, examine the concerned files, identify responsibility wherever procedural irregularities, administrative lapses, suppression or non-production of material records, record-management deficiencies or dereliction of duty are established, and upon completion of the enquiry, submit a reasoned report with appropriate recommendations under the applicable Vigilance Manual and Government instructions to the competent Government authorities, copy of the final enquiry report or outcome of the Preliminary Vigilance Enquiry communicated to the complainant.

I solemnly affirm that the facts stated herein are based upon official records presently available to me, information obtained under the Right to Information Act, 2005, and other Government records. Wherever this complaint raises questions requiring investigation, they are respectfully presented as matters requiring independent verification by the Vigilance & Enforcement Department and not as predetermined findings or conclusions.

This complaint is submitted bona fide in the interest of transparency, administrative accountability, preservation of Government records and ensuring that the administrative handling of the death in harness of a serving police officer is examined on the basis of complete and authentic official records.

Yours sincerely,

Ganti Vishnu Sharma

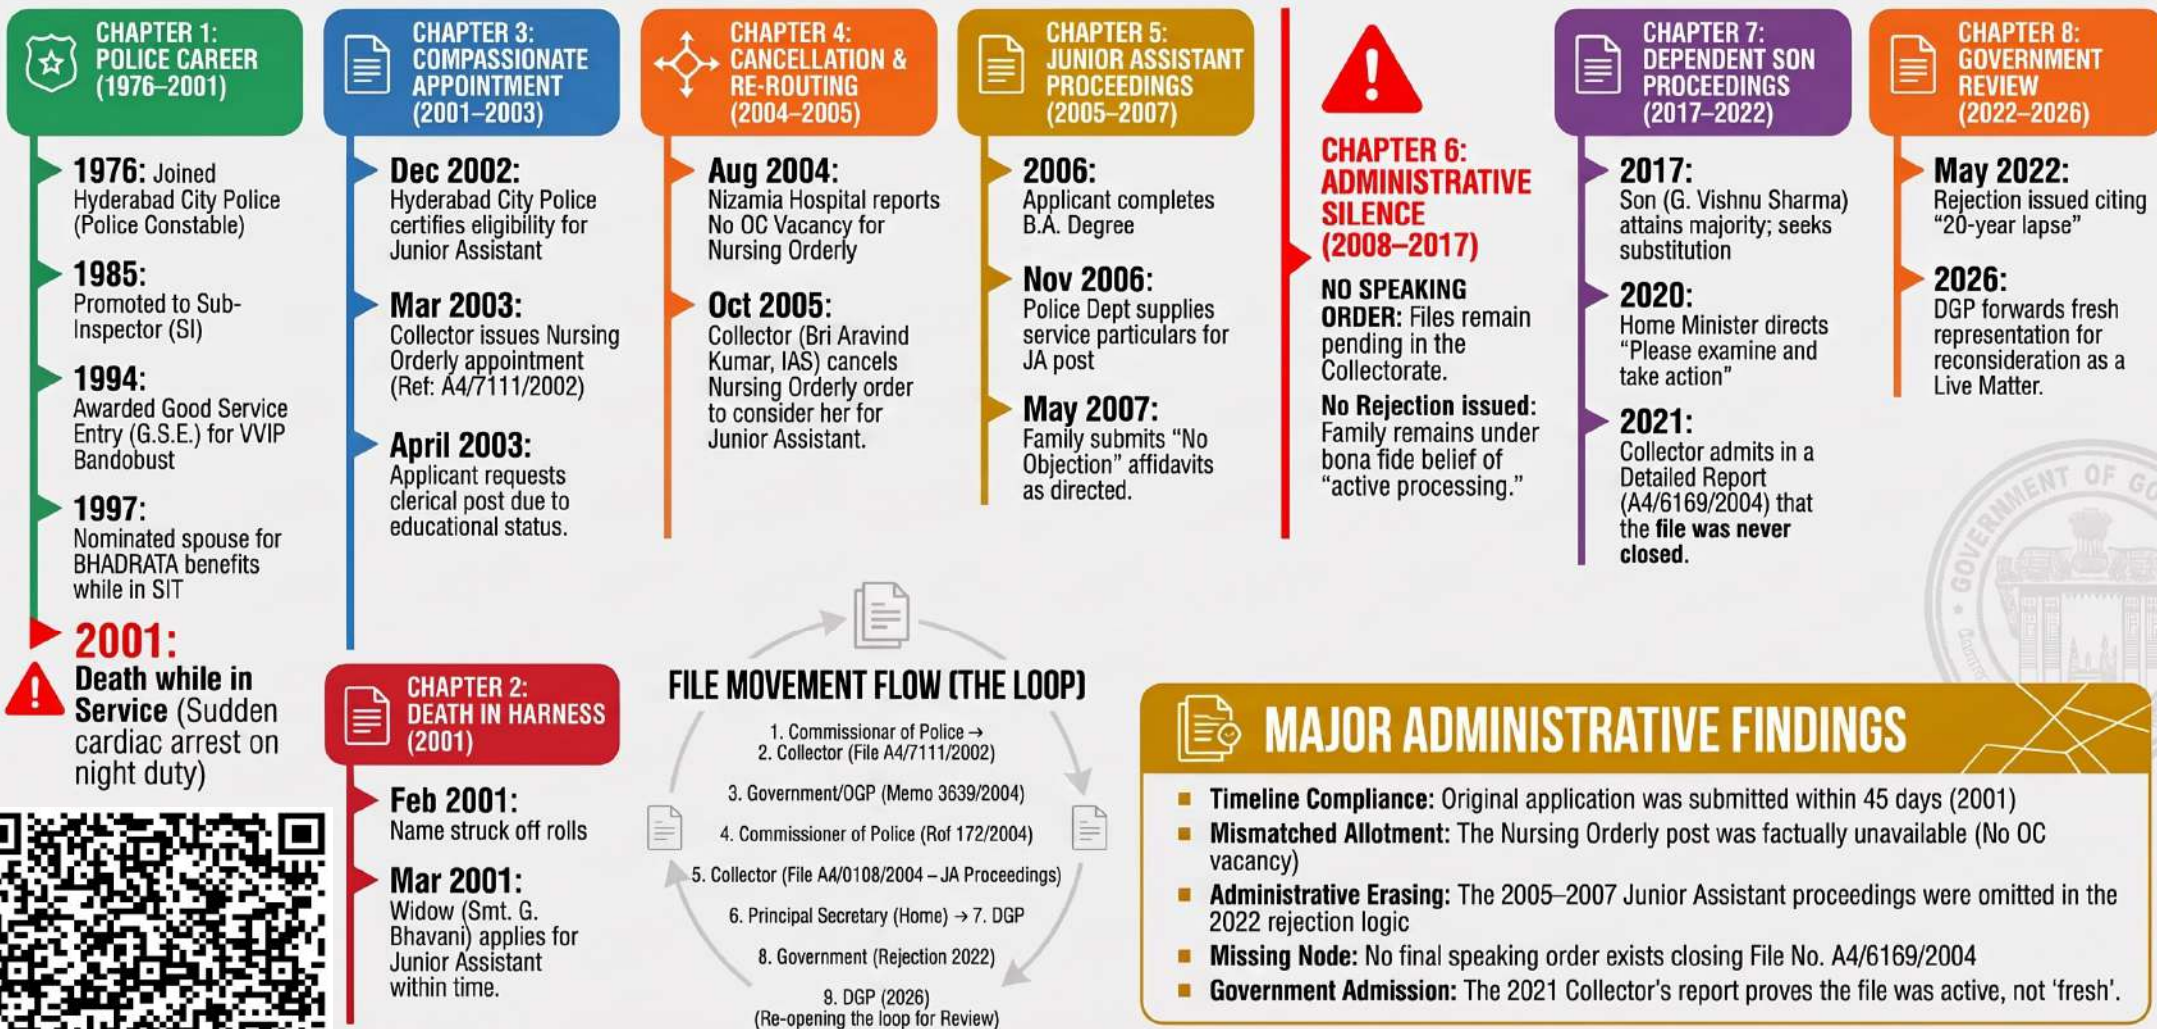

Son of Late Sri G. Krishna Murthy,

The office of the District Collector acknowledged receipt of the proposal on 18-12-2002, thereby establishing that the complete compassionate appointment file had been officially received for further processing.
31-12-2002	In continuation of the compassionate appointment proceedings under Rc.No. A4/7111/2002, Smt. G. Bhavani submitted a representation to the District Collector, Hyderabad District, enclosing Xerox copies of the original SSC Marks Memo, Death Certificate, Legal Heir Certificate and Community Certificate in support of her application for compassionate appointment. She specifically informed the Collector that the original certificates had already been produced before the Inspector of Police, Thukaramgate, during the verification process vide Letter No.553/PS-TKG/OW/2001 dated 13-12-2001, and enclosed a copy thereof for kind perusal. This demonstrates that all essential eligibility documents had been furnished to the authorities at the initial stage itself and that the compassionate appointment proceedings continued to be actively processed.

The rejection was confined only to the request for change of posting as Attender and did not reject or finally close the compassionate appointment proceedings themselves, which were subsequently revived and reconsidered for appointment to the post of Junior Assistant under File No. A4/6169/2004.
29-01-2004	Smt. G. Bhavani submitted a detailed representation to the District Collector, Hyderabad, requesting appointment to the post of Junior Assistant on compassionate grounds in place of the Nursing Orderly post earlier offered through Proceedings No. A4/7111/2002 dated 18-03-2003. She stated that she had originally sought appointment as Junior Assistant, had subsequently completed B.A. First Year and was

	appearing for B.A. Second Year examinations and requested sympathetic consideration for appointment to a suitable clerical post commensurate with her educational qualifications. The representation evidences her continuous pursuit of the Junior Assistant post and demonstrates that the compassionate appointment proceedings remained actively under consideration.
19-02-2004	Home Department issued Govt. Memo No.3839/WNT/A1/2004-1 through DGP regarding compassionate appointment case of Smt. G. Bhavani.
27-02-2004	Commissioner of Police issued consequential endorsement No.172/Min.Estt.4/2003 regarding compassionate appointment case.
22-06-2004	Commissioner of Police, Hyderabad City, through Letter No. L&O/01/565/2004 requested Collector, Hyderabad to inform present stage of the case and recorded that Smt. G. Bhavani originally requested Junior Assistant post after unsuitable Nursing Orderly allotment.
20-08-2004	Attempt made to join allotted post at Nizamia General Hospital; however, joining process could not be completed due to vacancy-related issues. The Superintendent, Government Nizamia General Hospital, Hyderabad, through Memo No.1409/A1/NGH/2004, informed Smt. G. Bhavani that although appointment orders had been issued earlier, appointing her as Nursing Orderly under compassionate grounds, she had already requested appointment for a suitable alternative post in view of her earlier representations. The Superintendent further informed that no OC Nursing Orderly vacancy was available and, therefore, it was not possible to permit her to join. The Superintendent further informed that no Nursing Orderly vacancy under the OC category was available in the Hospital and, therefore, it was not possible to permit her to join the said post. A copy of the Memo was forwarded to the District Collector, Hyderabad, for necessary action.
09-09-2004	The District Collector, Hyderabad District, through Letter No.A4/6169/2004, addressed the Commissioner of Police, Hyderabad City, informing that Smt. G. Bhavani, who had been appointed as Nursing Orderly under Proceedings No.A4/7111/2002 dated 18-03-2003, had requested appointment to an Attender post in another department, which had already been rejected. The Collector further recorded that the Superintendent, Government Nizamia General Hospital, had reported that Smt. G. Bhavani had not joined the Nursing Orderly post and requested the Commissioner to note the present stage of the compassionate appointment proceedings.
09-12-2004	Smt. G. Bhavani submitted a representation to the District Collector, Hyderabad, through the Hon'ble Minister for Revenue, Relief and Rehabilitation, explaining that although she had been allotted the post of Nursing Orderly at Nizamia General Hospital under Proceedings No. A4/7111/2002 dated 18-03-2003, the Hospital authorities had informed her through Memo No.1409/A1/NGH/2004 dated 20-08-2004 that it was

Date	Event
	not possible to permit her to join in the said post. Referring to her earlier representations dated 10-06-2003 and 20-08-2004, she requested allotment to any other suitable vacancy due to the unavoidable circumstances and severe financial hardship faced by her family. The Hon'ble Minister for Revenue, Relief and Rehabilitation endorsed the representation on 09-12-2004 with the direction "Please examine and take necessary action," whereupon the matter was remitted to the District Collector for consideration. This representation subsequently formed the basis of Collector Memo No. A4/6169/2004 dated 20-01-2005.
20-01-2005	The District Collector, Hyderabad, through Memo No. A4/6169/2004, informed Smt. G. Bhavani that her request for allotment to any other suitable vacancy was rejected by relying upon the earlier Memo No. A4/7111/2002 dated 03-11-2003, which had rejected her request for appointment as an Attender in another department. The memo was issued with reference to the endorsement of the Hon'ble Minister for Revenue, Relief and Rehabilitation dated 09-12-2004. Notwithstanding this communication, the compassionate appointment proceedings were not treated as finally closed, as the authorities subsequently reopened the matter and initiated fresh consideration for appointment to the post of Junior Assistant under the same file, culminating in further proceedings during 2005–2007.
02-03-2005	The Superintendent, Government Nizamia General Hospital, Hyderabad, through Letter No.1409/A1/NGH/2004 addressed to the District Collector, Hyderabad District, referred to the earlier appointment of Smt. G. Bhavani as Nursing Orderly, her subsequent representations seeking an alternative appointment, and the earlier communication that no OC Nursing Orderly vacancy was available. The Superintendent further reported that although three Nursing Orderly vacancies had subsequently arisen, all of them were reserved for Scheduled Tribes under the roster and had already been notified to the District Collector. Consequently, no OC vacancy was available to accommodate Smt. G. Bhavani and suitable orders were requested from the District Collector.
17-10-2005	The Hyderabad District Collector, SRI Aravind Kumar IAS, through Proceedings No.A4/6169/2004, cancelled the earlier compassionate appointment of Smt. G. Bhavani to the post of Nursing Orderly and initiated consideration of her candidature for appointment as Junior Assistant, having regard to her improving educational qualifications and the applicable Government instructions.
10-01-2006	Collector, Hyderabad District, through Memo No.A4/6169/2004, directed Smt. G. Bhavani to submit bona fide and transfer certificates from 1st to 10th class along with undertaking for educational qualification, while considering her compassionate appointment to the post of Junior Assistant.

Date	Event
22-02-2006	The District Collector, Hyderabad, through Memo No. A4/6169/2004, informed Smt. G. Bhavani that the earlier Nursing Orderly appointment had been cancelled and that her candidature was being considered for appointment to the post of Junior Assistant on a conditional basis. She was directed to furnish an undertaking to acquire Intermediate or B.A. qualification within three years from the date of appointment. The Collector further recorded that she was being treated as a Non-Local candidate for Hyderabad District on account of having studied SSC at Bobbili (Vizianagaram District), referred to the Government's clarification regarding compassionate appointments under the Local/Non-Local Rules, and called upon her to exercise an option either to be considered as a local candidate in Vizianagaram District or as a Non-Local candidate in Hyderabad District and await availability of a suitable vacancy. This memo conclusively demonstrates that the compassionate appointment proceedings remained alive and that the authorities had shifted the case from the Nursing Orderly post to consideration for the post of Junior Assistant.
06-03-2006	Smt. G. Bhavani submitted a detailed representation to the District Collector, Hyderabad, referring to Proceedings No.A4/6169/2004 dated 17-10-2005 issued by the Nodal Authority for Compassionate Appointments, stating that the earlier compassionate appointment to the post of Nursing Orderly had been cancelled and that her case was thereafter being considered for appointment to the post of Junior Assistant upon acquisition of additional educational qualification. She requested that her case be considered in Hyderabad District itself by treating her as a local candidate, enclosing residence/nativity certificate issued by MRO, Malkajgiri, and stating that the family had been residing in Hyderabad for nearly 30 years while Late Sri G. Krishna Murthy had rendered long service in Hyderabad City Police. She further expressed willingness to await availability of vacancy in Hyderabad District rather than seek appointment elsewhere, thereby demonstrating continuous pursuit of the compassionate appointment proceedings and clear intention to remain within the Hyderabad local cadre.
04-04-2006	Collector, Hyderabad District, through Memo No.A4/6169/2004, informed Smt. G. Bhavani that her compassionate appointment case for the post of Junior Assistant remained under consideration, however, notwithstanding submission of residence/nativity certificate issued by MRO, Malkajgiri, she was treated as a Non-Local candidate for Hyderabad District under local candidature rules and could be considered for appointment only against availability of a Non-Local vacancy in Hyderabad District, or otherwise in Vizianagaram District as a local candidate but should wait till Non Local Vacancy arises.
06-06-2006	Collector, Hyderabad District, through Memo No.A4/7951/2005 read with File No.A4/6169/2004, informed Smt. G. Bhavani that a special meeting relating to compassionate appointment proposals forwarded by various departments had been convened on 24-06-2006 at the Collectorate,

Date	Event
	Hyderabad, and directed her to attend personally with original and attested records including death certificate, original compassionate appointment application, legal heir certificate, financial status certificate, notarized No-Objection affidavits from family members, educational qualification certificates and technical records for taking further necessary action, thereby clearly evidencing that the compassionate appointment proceedings remained actively pending and under official consideration at the Collectorate level in 2006.
May 2006	Smt. G. Bhavani completed B.A. Degree qualification during pendency of compassionate appointment case.
29-08-2006	District Collector sought service particulars from Hyderabad City Police for finalization of Junior Assistant proposal.
23-11-2006	Hyderabad City Police forwarded service particulars to District Collector during processing of Junior Assistant proposal.
08-02-2007	Smt. G. Bhavani submitted representation to District Collector stating that she had already been considered for Junior Assistant post after becoming a graduate, but posting orders were still awaited. She also explained severe financial hardship, daughter's marriage expenses and continuing responsibility of minor son studying in IX Standard.
26-04-2007	Collectorate Memo No.A4/6169/2004 directed submission of notarized No-Objection affidavits from family members for further necessary action in the compassionate appointment matter.
09-05-2007	Smt. G. Lakshmi Sahithi submitted notarized No-Objection Family Affidavit giving consent for compassionate appointment to Smt. G. Bhavani and continuation of Junior Assistant proceedings.
10-05-2007	In response to Collectorate Memo dated 26-04-2007 in File No.A4/6169/2004, Smt. G. Bhavani submitted a handwritten representation/consent before the District Collector, Hyderabad, conveying that the family members had no objection to continuation of the compassionate appointment proceedings in her favor and requesting further necessary action in the matter.
2008	Due to prolonged non-finalization of the compassionate appointment proceedings despite submission of all required documents, Smt. G. Bhavani underwent severe emotional and financial distress while continuously awaiting final appointment orders.
2009-2017	After submission of affidavits, willingness, nativity and qualification documents, no final communication closing the compassionate appointment proceedings was issued to the family. The family remained under the bona fide belief that the Junior Assistant proposal in File No.A4/6169/2004 was still under administrative process and compassionate appointment proceedings remained pending without final speaking order despite repeated representations and follow-up.

Date	Event
23-08-2017	Sri G. Vishnu Sharma submitted representation after attaining majority seeking compassionate appointment since original proceedings remained unresolved for many years.
02-11-2017	District Collector rejected substitution request citing upper age limitation in respect of Smt. G. Bhavani.
2018-2019	The family remained under the bona fide belief that the endorsement dated 02-11-2017 had not conclusively clarified the status of the original compassionate appointment proceedings of Smt. G. Bhavani, resulting in continued uncertainty regarding further course of action.
03-09-2020	Sri G. Vishnu Sharma submitted a detailed representation to the Hon'ble Minister for Home, Prisons and Fire Services, Government of Telangana, seeking compassionate appointment in continuation of the long-pending proceedings relating to Late Sri G. Krishna Murthy, Sub-Inspector of Police. The representation explained that Smt. G. Bhavani could not join the Nursing Orderly post due to subsequent consideration for appointment as Junior Assistant, that the compassionate appointment proceedings in File No. A4/6169/2004 had remained pending for several years, and that by reason of the prolonged administrative delay she had crossed the eligible age for appointment. The representation further requested that compassionate appointment be considered in favour of Sri G. Vishnu Sharma, being the legal heir of the deceased employee.
04-09-2020	The representation dated 03-09-2020 submitted by Sri G. Vishnu Sharma was received in the Office of the Principal Secretary, Home Department, Government of Telangana. The Hon'ble Minister for Home endorsed the representation with the direction, "Please examine and do further action," whereupon it was forwarded to the Principal Secretary, Home Department, for examination and appropriate action. This endorsement resulted in further administrative processing of compassionate appointment matter by the Government.

Krishna Murthy, Sub-Inspector of Police. Referring to the Government Memo dated 08-09-2020 and the Director General of Police Memo dated 22-10-2020, the Commissioner recorded that despite the earlier communication dated 15-12-2020, the detailed report from the Collector had not been received. The Collector expressly recorded that the compassionate appointment proposal of Smt. G. Bhavani had been received from the Commissioner of Police on 16-12-2002; that she was initially appointed as Nursing Orderly under Proceedings No. A4/7111/2002 dated 18-03-2003; that, upon subsequent developments, the Nursing Orderly appointment was cancelled through Proceedings No. A4/6169/2004 dated 17-10-2005; and that her candidature was thereafter considered for appointment to the post of Junior Assistant in view of her having passed B.A. II Year. The report further recorded that, by Memo dated 25-02-2006, she was called upon to exercise her option in view of the local/non-local issue; that she subsequently opted to continue her candidature for appointment in Hyderabad District despite being treated as a Non-Local candidate; and that the later request for substitution in favour of her son was rejected only under the prevailing rules. This detailed report constitutes an official admission by the District Collector regarding the continuous administrative processing of the compassionate appointment proceedings and confirms that the matter had progressed beyond the original Nursing Orderly appointment to active consideration for the post of Junior Assistant.

	the status of the original compassionate appointment file, including proceedings relating to Nursing Orderly appointment, subsequent consideration for Junior Assistant post, and later Government correspondence, thereby evidencing that the matter continued to remain under active administrative examination even in 2022
22-04-2022	Government communication stated that orders were awaited by the Government regarding compassionate appointment matter.
09-05-2022	Government issued Memo No.434-P/Ser.II/A2/2020-2 stating that compassionate appointment request could not be considered due to lapse of 20 years.
17-05-2022	Commissioner's Office Endorsement Rc.No.297/ME.5/2020 issued communicating Government Memo dated 09-05-2022 that request could not be considered due to lapse of 20 years.
24-05-2022	Office of the Commissioner of Police, Hyderabad City, through Memo No.HCP/R&T/RT-6/0141/2020-22, communicated to Sri G. Vishnu Sharma that his representation seeking compassionate appointment in continuation of the original proceedings relating to Late Sri G. Krishna Murthy, SI of Police, had been forwarded to the Government through proper channel; however, Government Memo No.434-P/Ser.II/A2/2020 dated 09-05-2022 informed that compassionate appointment could not be considered at that stage as more than 20 years had elapsed from the date of death, thereby indicating that the Government examined the matter on the ground of delay while acknowledging existence and continuation of the original compassionate appointment file.
17-06-2023	Sri G. Vishnu Sharma submitted a detailed representation before the Hon'ble Chief Minister, Government of Telangana, seeking reconsideration of the rejection communicated through Government Memo No.434(P)/Ser.II/A2/2020-2 dated 09-05-2022 and the consequential endorsement dated 26-05-2022. The representation placed before the Government the complete history of the compassionate appointment proceedings, including the District Collector's Detailed Report dated 16-03-2021, the Collector's communication dated 25-03-2022, the Police Department correspondence dated 22-04-2022, and the subsequent Government communications, demonstrating that the compassionate appointment proceedings had remained continuously under administrative consideration since 2001. It was further requested that the Government exercise its discretion by granting age relaxation and treating the matter as a special case in view of the prolonged administrative delay, severe financial hardship, and the fact that Smt. G. Bhavani had crossed the prescribed age limit solely during the pendency of the proceedings.
2023-2025	After the 2022 rejection memo, the family remained under the bona fide belief that the matter was finally closed by the authorities. However, upon subsequently obtaining RTI records and examining the historical

	file, it became clear that the compassionate appointment proceedings had continuously remained under consideration for several years and had not originated as a fresh claim after 20 years. Thereafter, fresh representations were submitted during 2025 seeking reconsideration on humanitarian and exceptional grounds.
20-05-2025	Fresh representation submitted before the Hon'ble Chief Minister, Telangana State, seeking reconsideration of the earlier rejection communicated vide Govt. Memo No.434(P)/Ser.II/A2/2020-2 dated 09-05-2022 and subsequent endorsement dated 26-05-2022, while highlighting the continuous pendency of compassionate appointment proceedings since 2001, severe financial hardship suffered by the family, and subsequent cyber fraud losses of 6 lakhs suffered by Sri G. Vishnu Sharma, supported by FIR No.598/2025 registered by Cyber Crimes Police Station, Rachakonda. The representation further sought compassionate reconsideration or, alternatively, special ex-gratia compensation on humanitarian grounds.
27-06-2025	Representation submitted before the Secretary to Government, Legal Affairs, Legislative Affairs & Justice Department, Telangana Secretariat, by Smt. G. Bhavani seeking reconsideration/review of the earlier rejection of compassionate appointment and requesting grant of reasonable ex-gratia compensation on humanitarian grounds. The representation specifically narrated that, despite timely application submitted on 19-03-2001 following the death of Late Sri G. Krishna Murthy, SI of Police, while on duty, the earlier Nursing Orderly appointment was cancelled and the case was thereafter reconsidered for Junior Assistant post in 2005–2006; however, due to local/non-local jurisdictional issues relating to Malkajgiri/Ranga Reddy District, no final appointment was provided despite continuous pendency of the proceedings for more than two decades.
01-07-2025	Hyderabad City Police Memo No.HCP/R&T/RT-6/0141/2020-25 issued seeking submission of original supporting documents for further action with respective Ex Gratia claim, subsequently filed Lokayukta case with respect to missing of original Legal heir certificate from government custody.
07-08-2025	RTI reply confirmed existence of compassionate appointment records and earlier Junior Assistant proceedings.
08-10-2025	Representation submitted to Hon'ble Governor of Telangana regarding prolonged pendency and unresolved compassionate appointment proceedings.
03-11-2025	Governor's Office issued Letter No.1102/T2/S/2025 to Chief Secretary for examination of administrative delay and compassionate appointment proceedings relating to File No.A4/6169/2004.

Date	Event
04-11-2025	Online request submitted seeking age relaxation under compassionate appointment in favor of Sri G. Vishnu Sharma.
2025-2026	Representations submitted before Home Department, Police Department and Government seeking transfer/consideration of compassionate appointment entitlement to Sri G. Vishnu Sharma under humanitarian and special consideration since Smt. G. Bhavani crossed service age during prolonged pendency.
11-02-2026	Director General of Police, Telangana State, through Memo Rc.No.297/ME.2(ME.5)/2020-2025, forwarded the representation of Smt. G. Bhavani and Sri G. Vishnu Sharma relating to compassionate appointment in continuation of earlier proceedings concerning Late Sri G. Krishna Murthy, SI of Police, Hyderabad City Police, for examination and necessary action as per rules in force. The memo referred to multiple earlier Government, Home Department, Collectorate and Police Department communications issued between 2020 and 2025, thereby evidencing continued administrative examination of the long-pending compassionate appointment matter even in 2026 and at present

Subject: Request for Immediate Re-Classification of Death of Late SI G. Krishna Murthy (CCS, DD, Hyderabad) from "Expired while in Service (Natural Cause)" to "**Death in the Line of Duty (LODD)/Police Martyr**" Status, and Sanction of Dependent Welfare Benefits.

* * *

HYDERABAD CITY POLICE DEPARTMENT

Reference:

1. Your letter No. HCP/W/W3/0004/2025, dated 10-10-2025, denying the free TSRTC AC Bus Pass benefit.
2. My Mother Smt. Ganti Bhavani's Reply dated 15-10-2025.
3. Available official records confirming death on 03-02-2001 at Trimulgherry Police Station during night duty.

Respected Officer

I, Ganti Vishnu Sharma, son of the dependent late Sub-Inspector G. Krishna Murthy, write this formal representation in response to the denial of dependent welfare benefits, which was based on a restrictive reading of G.O.Ms.No.88/510, limiting eligibility to deaths solely in "extremist violence".

I submit that this administrative classification is fundamentally flawed and inconsistent with prevailing judicial principles and established regional administrative precedent.

The following arguments, supported by an analysis of service jurisprudence, demonstrate the mandatory requirement for the Department to **re-classify my father's death as a Death in the Line of Duty (LODD)**

I. Establishment of LODD Nexus: Cardiac Collapse Due to Service Stress

Late SI G. Krishna Murthy expired due to a heart attack on 03-02-2001 while performing **active official night duty inside the Trimulgherry Police**

Station premises. The collapse occurred at his designated post during active service time.

1. **Judicial Recognition of Stress as LODD:** Indian Courts, including various High Courts, have consistently ruled that a fatal heart attack suffered by a uniformed or public servant while on duty is an **“accident as well as personal injury”** caused during employment. This interpretation recognizes that the psychological stress and physiological strain of police duty, particularly irregular and high-alert shifts like **night duty**, are recognized aggravating factors for cardiovascular events. By collapsing on duty, the necessary link between his employment and the fatality is established.
2. **Administrative Negligence and Duty of Care:** It is respectfully submitted that my father, Late Sri G. Krishna Murthy, Sub-Inspector of Police SIT (CCS, DD, Hyderabad), was medically examined and declared fully fit at the time of his recruitment into the Police Department and was known for his physical discipline, efficiency, and dedication throughout his service. However, after years of continuous and strenuous field work marked by Bandobust duties, prolonged patrol duties, **high-pressure investigations, and exposure to operational stress** he developed a **cardiac condition induced by service exigencies**, for which he later underwent treatment and stent implantation. After discharge from hospitals, despite this emerging medical vulnerability being reflected in his service record, the Department continued deploying him to demanding night patrol assignments attached to the Rakshak Patrol Vehicle without medical reassessment or reassignment to light duty, contrary to established safety norms and the administrative obligation to exercise reasonable care toward the health of serving personnel. This disregard of his deteriorating medical condition, compounded by the history of cardiac episodes and duty related road accidents, amounts to **gross administrative negligence**. By compelling a medically fragile officer to continue in high-stress night environments instead of sanctioning day duty or medical invalidation, the Department effectively converted a preventable ailment into a **service aggravated fatality**. On the night of **03-02-2001**, while performing official duty on the Rakshak Patrol Vehicle at **Trimulgherry Police Station**, department made him suffer a fatal cardiac arrest inside the station premises, without noticing he was alone and unwell. The death occurred **squarely in the course of official duty**, failed to immediately assist him or call ambulance during heart attack and stands as a direct consequence of occupational stress and the Department’s failure to provide medical safeguards. It therefore

cannot be treated as a natural death but must be recognized as a **Service-Attributable / Line-of-Duty Death**, fully covered under Police Welfare and Government norms applicable to personnel who lose their lives in the performance of official duty.

II. Arbitrary Classification in Violation of Equality (Article 14)

The Department's administrative policy, which treats my father's death as ineligible for Martyr status, stands in direct conflict with an established administrative precedent within the successor state's service framework:

1. **The Precedent of Parity: A.R. Head Constable B. Veerabhadra Rao** (AP Police, successor administration) died on 05-10-2016 due to a **heart attack** while performing Guard HC duty. He was officially **accorded Police Martyr status**.
2. **Discrimination:** There is no intelligible basis to distinguish the collapse of a Head Constable on guard duty (ARHC Rao) from the collapse of a Sub-Inspector on official night duty (SI G. Krishna Murthy) when both suffered the identical physiological failure (heart attack) due to service stress. The denial of LODD classification and dependent benefits to my family, when a comparable officer's death has been officially honoured as Martyrdom, constitutes discriminatory administrative action and a violation of the constitutional principle of Equality (Article 14).

III. Mitigation of Delay (Laches)

The delay in seeking reclassification is not due to inaction but due to administrative failure, which serves to excuse the 24-year lapse

1. **Continuing Wrong:** The misclassification of my father's service death constitutes a continuing source of injury and **the denial of a recurring benefit (Bus Pass) and compassionate appointment** is a continuing wrong. Under Supreme Court guidelines, claims related to continuing welfare benefits are maintainable despite long delays, as they do not affect the settled rights of third parties.
2. **Administrative Non-Disclosure:** The denial of proper classification in 2001 was compounded by the Department's failure to conduct a post-mortem and the lack of disclosure of critical records (Duty Roster, Internal Inquiry Notes). This continued administrative withholding of factual proof necessary to substantiate the stress nexus is the reason the matter remained unsettled.

Prayer for Justice and Administrative Direction

In light of the compelling legal precedents, the irrefutable evidence of service attributability, and the administrative failure to ensure parity, I

respectfully but firmly request that you execute the following directions immediately.

1. **Re-classify the Death:** The service record of Late SI G. Krishna Murthy must be corrected forthwith to reflect the official cause of death as **“Death in the Line of Duty (LODD),”** utilizing this classification for all attendant benefits.
2. **Grant Dependent Benefit:** The denial letter (dated 10-10-2025) must be withdrawn, and the free TSRTC AC Bus Pass for myself, Sri G. Vishnu Sharma, must be **sanctioned immediately**, and effective from the date of the original application (22-09-2025).
3. **Policy Harmonization:** The matter must be forwarded to the Director General of Police, Telangana, with a favourable recommendation for **official Police Martyr recognition**, ensuring that the classification standard aligns with the judicial principles of duty-stress attributability and the precedent set by the Andhra Pradesh Police Martyr listing (B. Veerabhadra Rao).
4. **Furnish Documents:** I reiterate the request for certified copies of the Duty Roster, Welfare Report, and any internal communication/inquiry notes relating to the death on 03-02-2001.

My father died in uniform and at his post while performing the duty assigned by the Department. His dedication deserves official acknowledgment as a service-related sacrifice, not a clinical health failure. I trust you will provide due humanitarian and official consideration to rectify this long-standing injustice.

Respected Officer,

I, Smt. Ganti Bhavani, W/o Late Sri G. Krishna Murthy, Sub-Inspector of Police, Hyderabad City Police, respectfully submit this **formal rebuttal** to the above referenced Memo, whereby my request for inclusion of my late husband's name in the **Indian Police Martyrs List** and for **sanction of ex-gratia** has been rejected on the grounds of "natural death" and "lapse of 24 years".

With utmost respect, I submit that the Memo failed to disclose fact-based analysis and thus became non application of mind, incomplete examination of facts, and reliance on incorrect and suppressed service records, resulting in grave and continuing injustice to the bereaved family.

I. BRIEF SERVICE AND FACTUAL TIMELINE (UNDISPUTED RECORD)

1. **14-04-1976:** Late Sri G. Krishna Murthy joined Hyderabad City Police as Police Constable.
2. **26-08-1985:** Promoted as **Sub-Inspector of Police** by official proceedings of the Dy. Commissioner of Police, Hyderabad.
3. **1985-2001:** Continued and served as **Sub-Inspector of Police**, including sensitive assignments such as CCB/SIT and Rakshak patrol duties.
4. **03-02-2001:** Died **inside Trimulgherry Police Station**, Hyderabad, due to **sudden cardiac arrest while on active duty**.
 - o Death occurred **during service hours, inside a police station, and while discharging official duties**.
5. **19-03-2001 onwards:** I applied for compassionate appointment immediately after his death.
6. **2003-2007:** Compassionate appointment file (File No. A4/6169/2004) remained active; all required affidavits and original documents were submitted.
7. **23-11-2006:** A **material error** was committed when the Commissioner of Police's office wrongly described my late husband as a *Police Constable*, despite his 1985 promotion as Sub-Inspector.

8. **2007-2022:** No final order passed, matter remained under consideration, as officially admitted in Government correspondence dated 22-04-2022.
9. **09-05-2022:** Sudden rejection citing “delay”, despite admitted pendency.
03-11-2025: Hon’ble Governor’s Office intervened, recording **administrative delay and suppression of records.**
15-12-2025: Present Memo issued, rejecting martyr status and ex-gratia without factual inquiry.

I respectfully request that this representation be forwarded to the Office of the Director General of Police, Telangana, and brought to the personal notice of Shri D.S. Chauhan, IPS, who rejected the claim earlier, for fresh consideration based on the full factual record and detailed report submitted to Secretariat Home Services II.

II. ERRONEOUS CLASSIFICATION OF DEATH AS “NATURAL”

The Memo states that my husband’s death was a “natural death due to heart attack” and hence outside the definition of “Police Martyr”.

Respectfully, I submit that

- Neither the **death certificate**, nor **service records**, nor any **contemporaneous inquiry** classify the death as “natural death”.
- The death occurred **while on active duty, inside a police station**, which establishes **prima facie duty nexus**.
- No **medical board, departmental inquiry, or duty stress assessment** was ever conducted before declaring the death as “natural”.
- The label “natural death” appears **for the first time after 24 years**, without any supporting material.

A heart attack occurring **during active police duty** cannot be mechanically excluded without factual examination. Doing so amounts to **arbitrariness**.

III. “24 YEARS LAPSE” GROUND IS LEGALLY AND FACTUALLY UNSUSTAINABLE

The reliance on “lapse of 24 years” is misplaced because

- The delay is **entirely State induced**, caused by
 - Wrong rank reporting in 2006,
 - Prolonged administrative silence,
 - Suppression of active file status till 2022.
- The department itself admitted that the matter has been **pending and under consideration** since 2007.
- A continuing wrong based on suppressed or falsified records **cannot be defeated by passage of time**.

IV. RECORD SUPPRESSION AND RANK MISREPORTING

It is now conclusively established through

- 1985 Promotion Proceedings,
- Multiple official Identity Cards,
- Training Certificates issued by Government of India authorities,
that Late Sri G. Krishna Murthy was a **Sub-Inspector of Police**.

The incorrect portrayal of him as a *Police Constable* in 2006 effected

Compassionate appointment processing, and

Subsequent consideration of service-related benefits.

Any decision based on such incorrect service particulars is **legally unsustainable**.

V. PRAYER FOR RECONSIDERATION

In view of the above, I respectfully request that

1. The Memo dated **15-12-2025** be **reconsidered and reviewed** after examining the **complete factual record**.
2. My late husband's **service records shall be corrected and reconciled** to reflect his true rank as **Sub-Inspector of Police**.
3. The issue of **duty nexus** be examined through a reasoned and speaking order instead of summary classification as "natural death".
4. The claims relating to **Indian Police Martyr status, ex-gratia, and compassionate appointment** be reconsidered in light of verified records and the same has previously submitted to Lokayukta, Hon'ble Governor of Telangana and President of India.

I seek only a **fair, fact-based examination**, which has regrettably not occurred till date.

Yours faithfully,

G. Bhavani

With reference to the above cited subject, it is to state that, this is a petition filed by one Sri Ganti Vishnu Sharma S/o Late S.I. G Krishna Murthy R/o Flat No. 102 A Block Meghdri Heights Apartments Yapral Medchal Malkajgiri District alleging Maladministration by the Hyderabad City Police in denying the re clarification of the death in the line of duty (Police Martyr) Late S.I. G. Krishna Murthy and resultant denial of dependent welfare benefits. The matter was referred to this office for enquiry and report vide reference first cited.

It is reported that, the following petitions were received from Smt. G. Bhavani w/o. Late G. Krishna Murthy and Sri G. Vishnu Sharma s/o. Late G. Krishna Murthy.

Sl. No.	Request of Applicant	Reply from this office
1	Application dated 22-9-2025 requesting for issuance of free RTC AC Bus pass under Telangana Police Welfare schemes for dependent Smt. G. Bhavani and Sri G. Vishnu Sharma s/o. Late G. Krishna murthy, SI of Police.	Vide this office letter No.HCP/W/W3/0004/2025 dated 10-10-2025 the petitioner/applicant was informed that Sri G. Krishna Murthy, SI was died due to heart attack on 3-2-2001 and in view of rules in vogue, the request for issuance of free TSRTS AC Bus pass is not considered in view of non-eligibility. Extension of free bus facility to the widow/family members of police martyrs of Telangana who died in extremist violence only (copy enclosed).
2.	Application dated 22-9-2025 requesting for 75% concession in train journey for police widow under Telangana Police Welfare scheme.	Vide this office letter No.HCP/W/W3/0005/2025 dated 10-10-2025 the petitioner/applicant was informed that Sri G. Krishna Murthy, SI was died due to heart attack on 3-2-2001 and in view of rules in vogue, the request for grant of 75% concession in train journey fare, is not eligible. As per the orders vide No.VI-25013/6/88-GPA.II of Ministry of Home Affairs,

		Government of India dated 29-3-1988, Widows of Policemen killed in action against terrorists and extremists would be entitled to grant of 75% concessional train fare for travelling in Second Class (copy enclosed).
3.	Representation dated 15-10-2025 of Smt. G. Bhavani, requesting death of her husband for line of duty (Police martyr) recognition and requested to forward the same to the DGP, Telangana duly enclosing the case of Sri B. Veerabhadra Rao, ARHC 105, AP Police.	His representation was forwarded to the DGP, Telangana duly enclosing his all representations. The DGP vide memo Rc. No. 297/ME.2(ME.5)/2020-25 dated 15-12-2025 of the DGP, Telangana State stating that Sri G. Krishna Murthy, SI was died on 3-2-2001 due to heart attack, while in service. As per the existing guidelines, natural death do not fall under the definition of POLICE MARTYR and there is no provision to consider such requests after a lapse of 24 years and hence the case does not comes under the purview of POLICE MARTYR. His inclusion in the Indian Police Martyr list and for sanction of ex-gratia is not applicable as per rules in vogue (copy enclosed).

It is reported that, Sri G. Vishnu Sharma, the complainant and petitioner, has been repeatedly filing petitions requesting that the death of his father, Late Sri G. Krishna Murthy, SI of Police, be declared as "death in line of duty" and accorded Police Martyr status. As per existing rules and Government guidelines, death due to heart attack while performing general duty is treated as a natural death and does not qualify for Police Martyr status. Only personnel killed in extremist, terrorist, or naxalite attacks are recognized as Police Martyrs.

Further, it is reported that, the application dated 17-10-2025 requesting reclassification of the death was referred to the Director General of Police, Telangana State, for examination. The DGP, vide Memo Rc. No. 297/ME.2(ME.5)/2020-25 dated 15-12-2025, confirmed that Late Sri G. Krishna Murthy died on 03-02-2001 due to heart attack while in service and that such cases do not fall under the definition of Police Martyr. His inclusion in the Indian Police Martyr list and sanction of ex-gratia benefits is therefore not applicable. The Commissioner of Police Hyderabad, has already communicated the same to the applicant Sri G. Vishnu Sharma, through endorsement No. HCP/W/W3/0004/2025-26 dated 19-01-2026. Despite this, repeated petitions continue to be filed by him and his mother to various agencies, though the request cannot be considered under rules in vogue.

In view of the above, the Hon'ble Institution of Lokayukta may kindly be apprised that the request for Police Martyr status is not admissible under existing provisions. Copies of connected petitions, replies and relevant Government orders are enclosed for ready reference.

Respected Officer,

I respectfully submit that Late Sri G. Krishna Murthy, Sub-Inspector of Police, expired on 03-02-2001 while performing assigned General /

Cont....

Rakshak Night Duty within Trimulgherry Police Station premises during officially sanctioned duty hours.

It is submitted that the Department's own enquiry report now admits that the deceased officer suffered a fatal heart attack while performing General Duty.

However, the request made by the dependent family for classification of death as having occurred during discharge of official duty (Line of Duty) has been rejected on the reasoning that

- Death due to heart attack constitutes "Natural Death"; and
- Only personnel killed in extremist / terrorist violence are eligible for recognition as Police Martyrs.

GROUND FOR REVIEW

1. Misapplication of Inapplicable Policy Framework

The above reasoning pertains exclusively to conferment of **Police Martyr Status**, which is governed by

- G.O.Ms.No.30, GA Department dated 12-01-1996; and
- MHA Guidelines dated 29-03-1988

These executive instructions relate solely to violent death caused by extremist or terrorist acts for commemorative and ex-gratia purposes, and do not govern determination of

- Death in Line of Duty
- Service-Attributable Death
- Duty-Linked Welfare Eligibility
- Dependent Rehabilitation Measures

Therefore, application of Police Martyr eligibility criteria while adjudicating a request for LoD classification constitutes reliance upon an irrelevant policy framework.

2. Applicability of G.O.Ms.No.88 – Duty Nexus Standard

Administrative determination of whether a death occurred during discharge of official duty is governed by

G.O.Ms.No.88, TR&B Department, Govt. of Telangana dated 11-10-2016

which mandates examination of

- Whether the death occurred in the course of assigned official duty; and
- Whether duty conditions materially aggravated or precipitated the medical event.

Under the above Government Order, medical cause of death (including cardiac arrest) is not determinative by itself; the relevant administrative test is existence of duty nexus with discharge of official responsibility.

3. Erroneous Conflation of “Natural Death” with “Non-Duty Death”

Classification of death as “Natural” without undertaking any contemporaneous or post-facto examination of duty nexus has resulted in

- Non-consideration of relevant duty assignment records; and
- Absence of administrative assessment linking duty circumstances with the incident.

Such classification, when arrived at without applying the duty causation test prescribed under G.O.Ms.No.88, results in administrative misclassification of a duty-related death.

4. Limited Scope of Request

It is clarified that the present request is confined strictly to

Administrative reconsideration of death classification under Line of Duty (LoD) framework.

No request is made herein for

- Conferment of Police Martyr Status; or
- Inclusion in any commemorative martyr roll or
- Consideration under extremist-violence ex-gratia schemes.

PRAYER

In view of the above, it is most respectfully requested that the Competent Authority may be pleased to

a) Undertake a reasoned administrative re-examination of the classification of death of Late Sri G. Krishna Murthy strictly under the Line of Duty framework.

b) Apply the Duty Nexus standard prescribed under G.O.Ms.No.88, TR&B Department dated 11-10-2016, independent of Police Martyr eligibility criteria

c) Pass a speaking order on the question whether the death occurred during discharge of official duty for the purpose of service-linked welfare consideration.

Hence it is **requested to forward this review Petition** submitted to the Director General of Police, Telangana State seeking administrative re-examination of classification of death of Late Sri G. Krishna Murthy, S.I. of Police (Expired on 03-02-2001) under Line of Duty (LoD) framework.

I request acknowledgement of receipt of this Review Petition.

It is submitted that the Department's own enquiry report now admits that the deceased officer suffered a fatal heart attack while performing General Duty.

However, the request made by the dependent family for classification of death as having occurred during discharge of official duty (Line of Duty) has been rejected on the reasoning that

- Death due to heart attack constitutes "Natural Death"; and
- Only personnel killed in extremist / terrorist violence are eligible for recognition as Police Martyrs.

GROUND'S FOR REVIEW

1. Misapplication of Inapplicable Policy Framework

The above reasoning pertains exclusively to conferment of **Police Martyr Status**, which is governed by

- G.O.Ms.No.30, GA Department dated 12-01-1996; and
- MHA Guidelines dated 29-03-1988

These executive instructions relate solely to violent death caused by extremist or terrorist acts for commemorative and ex-gratia purposes, and do not govern determination of

- Death in Line of Duty
- Service-Attributable Death
- Duty-Linked Welfare Eligibility
- Dependent Rehabilitation Measures

Therefore, application of Police Martyr eligibility criteria while adjudicating a request for LoD classification constitutes reliance upon an irrelevant policy framework.

2. Duty Nexus Standard

Administrative determination of whether a death occurred during discharge of official duty is governed by

Extraordinary Pension Rules and established judicial precedents for occupational casualties

which mandates examination of

- Whether the death occurred in the course of assigned official duty and
- Whether duty conditions materially aggravated or precipitated the medical event.

By operation of the aforementioned rules, the medical cause of death is not the sole determinative factor; the relevant administrative consideration is whether a proximate causal nexus exists between the assigned duty and the fatal event.

3. Erroneous Conflation of “Natural Death” with “Non-Duty Death”

Classification of death as “Natural”—without undertaking any contemporaneous or post-facto examination of duty nexus has resulted in

- Non consideration of relevant duty assignment records and
- Absence of administrative assessment linking duty circumstances with the incident.

Such classification, when arrived at without applying the duty causation test prescribed under **Extraordinary Pension Rules and established judicial precedents for occupational casualties**, results in administrative misclassification of a duty-related death

4. Cumulative Service Stress and Duty Nexus:

In view of the ‘stress and strain of service’ doctrine recognized in service jurisprudence, the occurrence of the fatal cardiac event while my husband was **performing assigned Rakshak Patrol general night duty**, read with the cumulative occupational stress and strain arising from his prior **long-term SIT and CCS Detective assignments** since his promotion as Sub Inspector in 1985, warrants administrative examination under the prescribed Duty Nexus Test to determine whether the death was attributable to, or materially aggravated by, service conditions for the purpose of classification under the Line of Duty (LoD) framework.

5. Limited Scope of Request

It is clarified that the present request is confined strictly to

Administrative reconsideration of death classification under Line of Duty (LoD) framework.

PRAYER

In view of the above, it is most respectfully requested that the Competent Authority may be pleased to

- a) Undertake a reasoned administrative re-examination of the classification of death of Late Sri G. Krishna Murthy strictly under the Line of Duty framework.
- b) Apply the Duty Nexus standard prescribed in **Schedule I-A of the Extraordinary Pension Rules (which recognizes cardiovascular diseases aggravated by the stress and strain of official duty)** and prevailing High Court/Supreme Court service jurisprudence, independent of the restrictive Police Martyr eligibility criteria.
- c) Pass a speaking order on the question whether the death occurred during discharge of official duty for the purpose of service linked welfare consideration.

Hence it is **requested to forward this review Petition and** submit it to the Director General of Police, Telangana State seeking administrative re-examination of classification of death of Late Sri G. Krishna Murthy, S.I. of Police (Expired on 03-02-2001) under Line of Duty (LoD) framework

I am writing to bring to your kind administrative notice a long-pending, exceptionally tragic compassionate appointment case concerning a police family residing within my Malkajgiri Constituency. Smt. Ganti Bhavani, widow of Late Sri G. Krishna Murthy, has submitted a representation detailing an agonizing 25-year-long administrative delay that has deprived her family of timely social security benefits.

Brief Factual Background:

- **Deceased Employee Particulars:** Late Sri G. Krishna Murthy was appointed as a Police Constable on 14-04-1976 and was promoted to Sub-Inspector of Police on 26-08-1985. He tragically expired due to a sudden heart attack on 03-02-2001 while performing official night patrol duty attached to the Trimulgherry Police Station (Special Investigation Team, Hyderabad City Police).
- **Timely Initial Application:** Smt. Ganti Bhavani submitted her formal application for a compassionate appointment on 19-03-2001, within 45 days of her husband's demise, satisfying the legal framework of the welfare scheme. At that time, she possessed an SSC qualification, rendering her fully eligible for a subordinate clerical position like Junior Assistant.

Continue....2

:: 2::

Detail of Prolonged Administrative Delay & Active Continuity of File:

- **Initial Mismatch & Vacancy Issues:** Instead of a clerical cadre post, she was initially allotted a Class-IV Nursing Orderly post at Nizamia General Hospital vide Proceedings No. A4/7111/2002, dated 18-03-2003. However, when she reported for duty, the hospital authorities refused her joining via Memo No. 1409/A1/NGH/2004, explicitly stating that no Open Competition (OC) category vacancy existed for that post.
- **Correction and Clerical Upgradation:** Recognizing her eligibility, the District Collector, Hyderabad District, opened a fresh continuation file (**File No. A4/6169/2004**) and cancelled the prior Class-IV allocation via proceedings dated 17-10-2005, officially active to process her candidature for the post of **Junior Assistant** on a conditional basis. Smt. Bhavani continuously enhanced her eligibility by completing her Bachelor of Arts (B.A.) degree in May 2006 from Dr. B.R. Ambedkar Open University.
- **Jurisdictional Stagnation:** The appointment process stalled because the family's residence in Malkajgiri was categorized under the Ranga Reddy District jurisdiction at the time, leading authorities to instruct them to "wait until a non-local vacancy arises in Hyderabad District." This complex file remained actively open and was reviewed across decades, moving through the Collectorate, Hyderabad City Police, and the DGP Office up until 2026.

Present Status & Justification for Rule Relaxation:

The family's request was previously set aside via Government Memo dated 09-05-2022, citing a "lapse of 20 years." the rejection of the claim solely on the ground of lapse of time overlooks the fact that the original application was submitted within the prescribed period in 2001 and the matter continued to remain under active departmental consideration through successive proceedings, correspondence and reconsideration. The delay is therefore substantially attributable to administrative handling rather than any abandonment of the claim by the family. However, the records clearly establish that the delay was entirely administrative and jurisdictional, rather than due to any negligence or abandonment by the grieving family, who actively followed up on the active file.

It is further submitted that while considering the matter, the authorities do not appear to have examined the applicability of Government Memo No.618/Ser.A/79-11 dated 17-12-1979, which recognizes the special position of widows with minor children and the need to provide suitable compassionate appointment without prescribing upper age limit. At the time of the death of the employee, the dependent son Sri G. Vishnu Sharma was only about 8 years of age and continued to be a minor throughout the period when the matter was under active departmental consideration, attaining majority only on 10-12-2010.

Continue.....3

:: 3 ::

Smt. Ganti Bhavani has now reached 66 years of age (past the age of superannuation), making her personal induction into government service legally impossible. The family's economic position has drastically dwindled, exacerbated by recent severe financial losses. Her dependent son, **Sri Ganti Vishnu Sharma**—who was a mere 8-year-old minor at the time of his father's demise in the line of duty—has since grown up under severe hardship, successfully completed his education with a B.Tech degree, and remains unemployed.

As per the document Sri Ganti Vishnu Sharma was born on 10-12-1992 and is the legitimate legal heir of the deceased Sub-Inspector. Smt. Ganti Bhavani has submitted her formal no-objection consent for the compassionate appointment benefit to be transferred to her son under the continuation of the original case file. This case does not involve a fresh compassionate appointment claim but arises out of an original claim filed within time and repeatedly processed by the Government over several years.

Prayer / Recommendation:

Compassionate appointment is an absolute social security measure designed to protect families of government servants who sacrifice their lives in harness. The State Government holds absolute inherent powers under **Rule 31 of the Telangana State and Subordinate Service Rules, 1996**, to relax rules in exceptional, meritorious cases to meet the ends of justice.

Therefore, I strongly recommend and request that you kindly intervene on humanitarian grounds and place this case before the Hon'ble Chief Minister. I request the issuance of a **Special Government Order (G.O.)** to consider appropriate relaxation of age and other procedural requirements, if found necessary for the lapse period and consider extension of the benefit arising out of the original compassionate appointment claim to the dependent son, **Sri Ganti Vishnu Sharma, B.Tech**, as a **Junior Assistant** (or any equivalent eligible post) in any government office located in Hyderabad/Secunderabad. This corrective measure will provide immediate succour and final justice to a deceased police officer's family.

A copy of the complete historical file with a detailed list of events is enclosed for your ready administrative reference.

Thanking you.

Yours faithfully,

(MARRI RAJASEKHAR REDDY)

Order No.260/ MP-Malkajgiri, TG & Chairperson, JCOP, Dated: 25.09.2025

Shri Ramakrishna Rao garu,

I write to respectfully bring to your attention the case of Smt. Ganti Bhavani, W/o Late Sri G. Krishna Murthy, who served as Sub-Inspector of Police in the CCS, Detective Department, Hyderabad. Sri Krishna Murthy tragically passed away while performing his official duties on 3rd February 2001.

Despite the passage of over two decades, the family continues to endure hardship and has been pursuing the matter of compassionate appointment for their son, Sri G. Vishnu Sharma. He is now of eligible age and is prepared to serve the Government with sincerity and dedication.

Given the nature of Sri Krishna Murthy's demise in the line of duty, and the prolonged distress faced by his widow, I earnestly request that the Government consider Sri G. Vishnu Sharma's case for compassionate appointment on humanitarian grounds. His appointment would not only honour the service of his late father but also provide much-needed support to the bereaved family.

I trust that your office will extend its kind consideration and expedite the necessary process in this regard.

With best regards,

Yours,

Subject: Request for examination of entitlement to Extraordinary Family Pension under AP/TS Extraordinary Pension Rules – Late Sub Inspector G. Krishna Murthy – Death on Duty 03-02-2001 – Police Widow PPO No. 65005215 – Reg.

* * *

Respected Sir/Madam,

I, Smt. Ganti Bhavani, W/o Late Sri G. Krishna Murthy, respectfully submit that I am presently receiving ordinary Family Pension under PPO No. 65005215. However, my husband's possible entitlement to Extraordinary Family Pension has never been separately and conclusively examined.

My husband was a Sub-Inspector of Police attached to Rakshak Mobile duty, working unit Hyderabad City Police, Special Investigation Team who died on 03-02-2001 due to sudden cardiac arrest inside Trimulgherry Police Station under Active Night Duty circumstances. The recent Police enquiry states that the competent authorities had already classified his death as “Death on Duty.”

I respectfully invite attention to Rule 5(1)(a) of the AP/TS Revised Pension Rules, 1980, under which the claim is governed by the rules in force on the date of death. Appendix V, Rules 209, 209.1, 211, 213 and 220.1–2 20.2 specifically provide for Extraordinary Pension/Family Pension, State Government sanction, and an Audit Officer's report regarding admissibility.

In particular, Rule 213 requires the Extraordinary Pension Rules to prevail where a Government servant dies by a disease like Heart attack as a result of “risk of office” or “special risk of office,” rather than Natural Death in service of ordinary Family Pension, therefore respectfully request your office to kindly

1. Verify whether any Extraordinary Family Pension proposal relating to Late Sri G. Krishna Murthy was ever received/audited;

2. Confirm whether the present PPO No. 65005215 represents only ordinary Family Pension and whether any Extraordinary Pension determination was ever made;
3. Inform whether, under Extraordinary Pension Rules the Audit Officer can examine/report the admissibility and take charge after the competent authority determines the qualifying duty/risk-of-office status

Subject: Request for examination of entitlement to Extraordinary Family Pension under AP/TS Extraordinary Pension Rules – Late Sub Inspector G. Krishna Murthy – Death on Duty 03-02-2001 – Police Widow PPO No. 65005215 – Reg.

* * *

Respected Sir/Madam,

I, Smt. Ganti Bhavani, W/o Late Sri G. Krishna Murthy, respectfully submit that I am presently receiving ordinary Family Pension under PPO No. 65005215. However, my husband's possible entitlement to Extraordinary Family Pension has never been separately and conclusively examined.

My husband was a Sub-Inspector of Police attached to Rakshak Mobile duty, working unit Hyderabad City Police, Special Investigation Team who died on 03-02-2001 due to sudden cardiac arrest inside Trimulgherry Police Station under Active Night Duty circumstances. The recent Police enquiry states that the competent authorities had already classified his death as “Death on Duty.”

I respectfully invite attention to Rule 5(1)(a) of the AP/TS Revised Pension Rules, 1980, under which the claim is governed by the rules in force on the date of death. Appendix V, Rules 209, 209.1, 211, 213 and 220.1–2 20.2 specifically provide for Extraordinary Pension/Family Pension, State Government sanction, and an Audit Officer's report regarding admissibility.

In particular, Rule 213 requires the Extraordinary Pension Rules to prevail where a Government servant dies by a disease like Heart attack as a result of “risk of office” or “special risk of office,” rather than Natural Death in service of ordinary Family Pension, therefore respectfully request your office to kindly

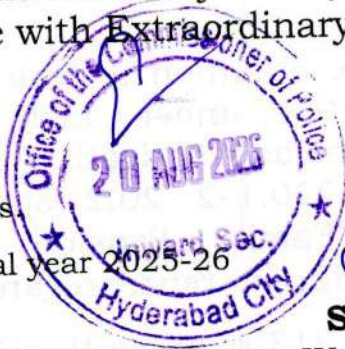

1. Verify whether any Extraordinary Family Pension proposal relating to Late Sri G. Krishna Murthy was ever received/audited;

2. Confirm whether the present PPO No. 65005215 represents only ordinary Family Pension and whether any Extraordinary Pension determination was ever made;
3. Inform whether, under Extraordinary Pension Rules the Audit Officer can examine/report the admissibility and take charge after the competent authority determines the qualifying duty/risk-of-office status
4. Inform what documents/proceedings are required from the Police/State Government for such examination; and
5. If no Extraordinary Pension examination was ever undertaken, kindly inform me of the proper procedure for placing the case before the competent authority according to rules in force.

I obediently seek clarification and examination within the role assigned to the Audit Officer under Extraordinary Pension Rule so that my family is not deprived of a benefit merely because the Extraordinary Pension question was never separately examined, which may be continuing wrong and hence requesting your good office to kindly facilitate the forwarding/placing of my claim before the competent authority of the State Government/State Police Department for necessary examination and action under the Extraordinary Pension Rules, and, upon receipt of the requisite proposal and records, to kindly examine and report on the admissibility of the Extraordinary Family Pension and the amount thereof in accordance with Extraordinary pension rules

APPENDIX - V

Extraordinary Pensions

(Extract from Manual of Pensions issued in 1976)

209. Extraordinary pension is sanctioned under the Extraordinary Pension Rules, Andhra Pradesh Extraordinary pension/gratuity/family pension is awarded to a person to whom these rules are applicable vide para 210 below and who suffers an injury or is killed or dies as a result of accident or violence. It is also awarded to those who contract.

(i) venereal disease or septicaemia whether such disease is contracted by a medical officer as a result of attendance in the course of his official duty on any patient or of conducting post-mortem examination in the course of that duty; or

(ii) a disease solely or directly attributable to an accident; or

(iii) an epidemic disease contracted by an officer in consequence of his being ordered on duty to an area in which such disease is prevalent or in consequence of his attending voluntarily out of humanitarian motives, upon any person suffering from any such disease, in any area where he happens to be in the performance of his duties. The injury or disease may be a risk of office or special risk of office. The term "accident", "disease", "injury", "risk of office" and "special risk" and "violence", are defined in the rules. These terms, therefore, have the specific meaning, as defined in these rules, in the application of these rules.

209.1 This is a special award in addition to the pension or gratuity admissible under any other rules unless stated otherwise in the rules.

210. **To whom applicable** :- It shall apply to all persons paid from civil estimates other than those to whom the Workmen's Compensation Act 1923 (Act VIII of 1923) applies, whether their appointment is permanent or temporary or on time scale of pay or fixed pay or piece-work rates, who are under the rule-making control of the State Government.

211. **Competent authority to award Extraordinary Pension** :- Extraordinary pension is awarded under these rules with the sanction of the

State Government only. In making an award the State Government may take into consideration the degree of default or contributory negligence on the part of the Government servant who sustains an injury or dies as a result of an injury or is killed.

212. Award of extraordinary pension not to affect other pensions unless where so stated in the rules - not to be taken into account for fixing pay on re-employment:- An award made under these rules except where otherwise stated in the rules, shall not affect any other pension or gratuity for which the Government servant concerned or his family may be eligible under any other rules and the pension granted under the provisions of these rules shall not be taken into account in fixing the pay of the pensioner on his continued employment or re-employment in Government service.

213. Extraordinary Pension Rules to prevail where these rules and Family Pension Rules of 1964 are applicable in certain cases :- In respect of cases arising on and after 24-1-1969 family pension to the families of Government servants governed by the Family Pension Rules of 1964 as well as the Extraordinary Pension Rules of Andhra Pradesh, who die as a result of "risk of Office" or "special risk of office" as defined in these rules, shall be paid only under these rules and not under the Family Pension Scheme of 1964. For the purposes of the Extraordinary Pension Rules, "injuries", as defined in the rules, are classified into 3 classes and depending upon the class under which the injury sustained by a Government servant falls, the gratuity or pension admissible to him has to be determined with reference to rule 9 of the Extraordinary Pension Rules. The classification of injuries are as follows :

Class 'A' :- Injuries caused as a result of special risk of office which have resulted in the permanent loss of an eye or a limb or are of a more serious nature.

Class 'B' :- Injuries caused as a result of special risk of office and equivalent, in respect of the degree of disablement which they cause to the loss of a limb or are very severe; or injuries caused as a result of risk of office which have resulted in the permanent loss of an eye or limb or are of a more serious nature.

Class 'C' :- Injuries caused as a result of special risk of office which are severe, but not very severe, and likely to be permanent; or injuries caused as

a result of risk of office which are equivalent, in respect of the degree of disablement which they cause, to the loss of a limb or which are very severe and likely to be permanent.

214. Temporary pensions also admissible :- These rules also provide for grant of temporary pensions which are continued from year to year on the certificate of a Medical Board in certain specified cases as provided for in the rules.

215. Temporary pensions can be converted into permanent pensions under certain circumstances :- The temporary pension awarded under these rules may be converted into a permanent injury pension when the government servant is invalidated out of service on account of the injury in respect of which the temporary pension was awarded; or when the temporary pension has been drawn for not less than 5 years; or at any time if the Medical Board certifies that it sees no reason to believe that there will ever be a perceptible decrease in the degree of disablement.

216. Scale of benefits :- The scale of benefits admissible to widows and children of a Government servant, when the Government servant is killed or dies of injury received as a result of "special risk of office" or "risk of office" as the case may be (as defined in the rules) is admissible at the scale given in the rules (vide Rule 10 of the Extraordinary Pension Rules).

216.1. In the case of widows and motherless children of Government servants governed by the Andhra Pradesh Government Servants (Family Pension) Rules 1964 and the Extraordinary Pensions Rules, who are killed or who die of injury received as a result of "special risk of office" or "risk of office" as the case may be (as defined in the Rules) will be granted family pension under the Extraordinary Pension Rules at the scales, laid down in these rules besides gratuity if admissible under the provisions of Rule 10 of these rules.

216.2 Payment to widows where more than one widow is left behind and one of whom is totally denied a share in the property left behind :- In the event of Government servant leaving behind two or more lawful widows, the pension or gratuity admissible under these rules to the widows shall be divided equally among all the widows. If, however, any of widows is totally denied any share in the property of the Government servant under a will or deed made by him, such widow shall be ineligible to receive any award and shall not be taken into account for the purposes of these rules.

216.3 Payment where any one widow is left behind but is totally denied a share in the property of the deceased :- In the event of a Government servant leaving behind only one widow who is totally denied any share in the property of the Government servant under a will or deed made by him, she shall be ineligible to receive any award under these rules.

216.4 Payment where no widow or children are left behind :- If the deceased Government servant has left neither a widow nor a child, an award may be made to his father and his mother individually or jointly and in the absence of the father and the mother, to minor brothers and sisters, individually or collectively, if they were largely dependent on the Government servant for support and are in pecuniary need; but the total amount of the awards in the case shall not exceed one-half of the pension that would have been admissible to the widow under rule 10; and that each minor brother's and sister's share should not exceed the amount of pension specified in Schedule III (appended to these rules) for a "child who is not motherless".

216.5 Any award made to the father or mother or minor brothers and sisters will, in the event of an improvement in the pecuniary circumstances of the pensioner, be subject to review in such manner, as the State Government may by order prescribe.

217. Where award under these rules not admissible :- No award shall be made in respect of :

- (i) an injury sustained more than five years before the date of application; or
- (ii) death which occurred more than seven years
 - (a) after the injury due to violence or accident (as defined in the rules) was sustained; or
 - (b) after the Government servant was medically reported as unfit for duty on account of the disease of which he died.

218. Date of effect :- The Family Pension under these rules will take effect from the day following the date of death of the Government servant or from such other date as the State Government may decide.

219. Tenure of pensions :- The Extraordinary Family Pensions will be tenable :-

- (a) in the case of a widow or mother until death or remarriage whichever occurs earlier.

- (b) in the case of a minor son, or minor brother, until he attains the age of 18;
- (c) in the case of an unmarried daughter or minor sister until marriage or until she attains the age of 21 whichever occurs earlier; and
- (d) in the case of a father, for life.

220. **Procedure for award of Pensions :-** In respect of matters of procedure, all awards under these rules are subject to any procedural rules relating to ordinary pensions to the extent that such procedural rules are, applicable and are not inconsistent with these rules.

220.1 When a claim for any injury pension or gratuity or family pension arises, the head of the office or of the department in which the injured, or the deceased Government servant was employed will forward the claim through usual channel through the Accountant General to the State Government with the following documents :-

- (i) A full statement of circumstances in which the injury was received; the disease was contracted or the death occurred;
- (ii) The application for injury pension or gratuity in Form A, or as the case may be, the application for family pension in Form B.
- (iii) In the case of an injured Government servant or one who has contracted a disease, a medical report in Form C. In the case of a deceased Government servant a medical report as to the death or reliable evidence as to the actual occurrence of death if the Government servant lost his life in such circumstances that a medical report cannot be secured.

220.2 The audit officer shall furnish a report as to whether an award is admissible under the rules and; if so, of what amount.

221. **Extraordinary Pension Rules applicable to air journeys :-** The Extraordinary Pension Rules, Andhra Pradesh shall apply to air journeys also, just as they apply to other modes of journeys according to circumstances of each case. An officer who travel on duty by air under proper authority and receives an injury and the family of an officer who meets with death while so travelling, shall be eligible for compensation under the Extraordinary Pension Rules, Andhra Pradesh, provided the case satisfies the other conditions in these rules. An officer travelling on duty by air should

be regarded as exposed to "special risk of Office" as defined in Rule 3(7) of the Extraordinary Pension Rules, Andhra Pradesh.

(G.O.Ms.No.411, Finance, dated 17th June, 1963)

222. **Where an opinion of Medical Board is shown to be an error of judgement a second Medical Board can be constituted :-** Where the Government are satisfied on the evidence placed before them by a Government servant in respect of whom a medical report for the purpose of grant of wound or other Extraordinary Pension has been received by them, of the possibility of an error of judgement in the decision of the Medical Board which examined him, Government may direct a second Medical Board consisting of members, other than those who constituted the first Medical Board, to examine the officer and submit a report to the Government in the matter; pension shall be granted to the Officer in accordance with the decision of the second Medical Board.

3. Available official records confirming death on 03-02-2001 at Trimulgherry Police Station during night duty.

Respected Officer

I, Ganti Vishnu Sharma, son of the dependent late Sub-Inspector G. Krishna Murthy, write this formal representation in response to the denial of dependent welfare benefits, which was based on a restrictive reading of G.O.Ms.No.88/510, limiting eligibility to deaths solely in "extremist violence".

I submit that this administrative classification is fundamentally flawed and inconsistent with prevailing judicial principles and established regional administrative precedent.

The following arguments, supported by an analysis of service jurisprudence, demonstrate the mandatory requirement for the Department to **re-classify my father's death as a Death in the Line of Duty (LODD)**

I. Establishment of LODD Nexus: Cardiac Collapse Due to Service Stress

Late SI G. Krishna Murthy expired due to a heart attack on 03-02-2001 while performing **active official night duty inside the Trimulgherry Police**

Station premises. The collapse occurred at his designated post during active service time.

1. **Judicial Recognition of Stress as LODD:** Indian Courts, including various High Courts, have consistently ruled that a fatal heart attack suffered by a uniformed or public servant while on duty is an **“accident as well as personal injury”** caused during employment. This interpretation recognizes that the psychological stress and physiological strain of police duty, particularly irregular and high-alert shifts like **night duty**, are recognized aggravating factors for cardiovascular events. By collapsing on duty, the necessary link between his employment and the fatality is established.
2. **Administrative Negligence and Duty of Care:** It is respectfully submitted that my father, Late Sri G. Krishna Murthy, Sub-Inspector of Police SIT (CCS, DD, Hyderabad), was medically examined and declared fully fit at the time of his recruitment into the Police Department and was known for his physical discipline, efficiency, and dedication throughout his service. However, after years of continuous and strenuous field work marked by Bandobust duties, prolonged patrol duties, **high-pressure investigations, and exposure to operational stress** he developed a **cardiac condition induced by service exigencies**, for which he later underwent treatment and stent implantation. After discharge from hospitals, despite this emerging medical vulnerability being reflected in his service record, the Department continued deploying him to demanding night patrol assignments attached to the Rakshak Patrol Vehicle without medical reassessment or reassignment to light duty, contrary to established safety norms and the administrative obligation to exercise reasonable care toward the health of serving personnel. This disregard of his deteriorating medical condition, compounded by the history of cardiac episodes and duty related road accidents, amounts to **gross administrative negligence**. By compelling a medically fragile officer to continue in high-stress night environments instead of sanctioning day duty or medical invalidation, the Department effectively converted a preventable ailment into a **service aggravated fatality**. On the night of **03-02-2001**, while performing official duty on the Rakshak Patrol Vehicle at **Trimulgherry Police Station**, department made him suffer a fatal cardiac arrest inside the station premises, without noticing he was alone and unwell. The death occurred **squarely in the course of official duty**, failed to immediately assist him or call ambulance during heart attack and stands as a direct consequence of occupational stress and the Department’s failure to provide medical safeguards. It therefore

cannot be treated as a natural death but must be recognized as a **Service-Attributable / Line-of-Duty Death**, fully covered under Police Welfare and Government norms applicable to personnel who lose their lives in the performance of official duty.

II. Arbitrary Classification in Violation of Equality (Article 14)

The Department's administrative policy, which treats my father's death as ineligible for Martyr status, stands in direct conflict with an established administrative precedent within the successor state's service framework:

1. **The Precedent of Parity: A.R. Head Constable B. Veerabhadra Rao** (AP Police, successor administration) died on 05-10-2016 due to a **heart attack** while performing Guard HC duty. He was officially **accorded Police Martyr status**.
2. **Discrimination:** There is no intelligible basis to distinguish the collapse of a Head Constable on guard duty (ARHC Rao) from the collapse of a Sub-Inspector on official night duty (SI G. Krishna Murthy) when both suffered the identical physiological failure (heart attack) due to service stress. The denial of LODD classification and dependent benefits to my family, when a comparable officer's death has been officially honoured as Martyrdom, constitutes discriminatory administrative action and a violation of the constitutional principle of Equality (Article 14).

III. Mitigation of Delay (Laches)

The delay in seeking reclassification is not due to inaction but due to administrative failure, which serves to excuse the 24-year lapse

1. **Continuing Wrong:** The misclassification of my father's service death constitutes a continuing source of injury and **the denial of a recurring benefit (Bus Pass) and compassionate appointment** is a continuing wrong. Under Supreme Court guidelines, claims related to continuing welfare benefits are maintainable despite long delays, as they do not affect the settled rights of third parties.
2. **Administrative Non-Disclosure:** The denial of proper classification in 2001 was compounded by the Department's failure to conduct a post-mortem and the lack of disclosure of critical records (Duty Roster, Internal Inquiry Notes). This continued administrative withholding of factual proof necessary to substantiate the stress nexus is the reason the matter remained unsettled.

Prayer for Justice and Administrative Direction

In light of the compelling legal precedents, the irrefutable evidence of service attributability, and the administrative failure to ensure parity, I

respectfully but firmly request that you execute the following directions immediately.

1. **Re-classify the Death:** The service record of Late SI G. Krishna Murthy must be corrected forthwith to reflect the official cause of death as **“Death in the Line of Duty (LODD),”** utilizing this classification for all attendant benefits.
2. **Grant Dependent Benefit:** The denial letter (dated 10-10-2025) must be withdrawn, and the free TSRTC AC Bus Pass for myself, Sri G. Vishnu Sharma, must be **sanctioned immediately**, and effective from the date of the original application (22-09-2025).
3. **Policy Harmonization:** The matter must be forwarded to the Director General of Police, Telangana, with a favourable recommendation for **official Police Martyr recognition**, ensuring that the classification standard aligns with the judicial principles of duty-stress attributability and the precedent set by the Andhra Pradesh Police Martyr listing (B. Veerabhadra Rao).
4. **Furnish Documents:** I reiterate the request for certified copies of the Duty Roster, Welfare Report, and any internal communication/inquiry notes relating to the death on 03-02-2001.

My father died in uniform and at his post while performing the duty assigned by the Department. His dedication deserves official acknowledgment as a service-related sacrifice, not a clinical health failure. I trust you will provide due humanitarian and official consideration to rectify this long-standing injustice.

Yours faithfully,

Ganti Vishnu Sharma
