BEFORE THE HON'BLE LOKAYUKTA / UPA-LOKAYUKTA, TELANGANA
COMPLAINT / REPRESENTATION UNDER SECTION 9(1) OF THE TELANGANA LOKAYUKTA ACT, 1983
Lokayukta Case No:

Respected Officer,

Subject: Complaint regarding maladministration and non-application of mind by the Hyderabad Collectorate in the processing and present rejection of my compassionate appointment claim dated 15-07-2026, failure to consider my original request for appointment as Junior Assistant; omission of the governing compassionate-appointment instructions; failure to distinguish a Junior Assistant post in a Subordinate Office from a Last Grade Service post, improper conversion of my genuine effort to secure appropriate compassionate employment into an adverse allegation that I was "not interested" or failed to join; failure to reconcile contradictory vacancy records; and perpetuation of an incomplete and prejudicial administrative narrative from 2003–2005 into the present continuing wrong – request for preliminary verification, calling of original records, investigation and appropriate departmental corrective directions.

* * *

I. PRELIMINARY SUBMISSION — WHY THIS IS A LOKAYUKTA MATTER

1. I respectfully submit that this complaint is **not merely a claim for appointment to a particular post**.
2. I am approaching the Hon'ble Lokayukta because the manner in which my compassionate appointment case was administratively processed, recorded, reported and ultimately rejected discloses, prima facie:
    - omission of material facts.
    - omission/non-application of the applicable Government Orders, governing compassionate. appointment, social security scheme.
    - failure to examine my original application.
    - failure to consider my eligibility in the correct legal framework.

- failure to distinguish the category of post originally sought from the lower Last Grade Service post subsequently offered.
- undue administrative delay.
- contradictory recording of vacancy position.
- failure to reconcile material documents.
- creation of an adverse impression against me.
- repetition and perpetuation of that adverse impression in subsequent official correspondence and
- a recent rejection which, instead of correcting the historical administrative deficiencies, appears to continue the same incomplete reasoning.

3. Section 2(a) of the Telangana Lokayukta Act expressly includes within "action" an administrative decision, recommendation or finding and also **any omission, commission or failure to act** connected with such action.
4. Section 2(ea) defines **"grievance"** as a claim by a person that he or she sustained injustice or undue hardship in consequence of maladministration. Section 2(fa) defines **"maladministration"** to include administrative action or procedure which is unreasonable, unjust, oppressive or improperly discriminatory, as well as wilful negligence or undue delay.
5. My complaint therefore falls squarely within the statutory concept of **grievance arising from maladministration**.
6. Section 9(1) expressly permits a complaint in respect of a grievance by a **person aggrieved**.
7. The Hon'ble Lokayukta Act itself was amended in 2011 precisely to address the gap concerning complaints relating to **grievances and maladministration** and redressal of such grievances.
8. I therefore respectfully request that this complaint be treated as a **statutory grievance complaint concerning maladministration**, and not as an ordinary service appeal.

BEFORE THE HON'BLE LOKAYUKTA / UPA-LOKAYUKTA, TELANGANA
COMPLAINT / REPRESENTATION UNDER SECTION 9(1) OF THE TELANGANA LOKAYUKTA ACT, 1983
Lokayukta Case No:

II. PRESENT CAUSE OF ACTION — RECENT REJECTION BY THE HYDERABAD COLLECTORATE

9. I submit this complaint particularly against the **recent rejection/endorsement issued by the Hyderabad Collector Office**, dated 15.7.2026 whereby my claim has again been rejected/closed without properly examining the complete historical record and the material legal provisions governing my original compassionate appointment request.

10. The present complaint is therefore not based merely upon an event of 2001 or 2003.

11. The **recent rejection is the present administrative action/decision complained of**.

12. The earlier documents are relied upon as the documentary history necessary to demonstrate how the same erroneous narrative originated, how material facts were omitted, and how that narrative has continued to influence the administration even today.

13. The present rejection has therefore **revived and perpetuated the historical maladministration**, instead of correcting it.

14. I respectfully submit that the present complaint is consequently within the statutory framework concerning an action which has recently been taken and/or recently became known to me.

III. MY HUSBAND DIED IN HARNESS AND THE COMPASSIONATE APPOINTMENT SCHEME WAS INTENDED TO PROVIDE IMMEDIATE RELIEF

15. My husband, **Late Sri G. Krishna Murthy, Sub-Inspector of Police**, died in harness on **03-02-2001**.

16. I was his widow and had dependent minor children.

17. The compassionate appointment scheme was not an ordinary recruitment mechanism. The Government described it as a **social-security measure intended to**

provide immediate permanent relief to the family of a Government employee who died in harness.

18. The Government's own consolidated instructions state that the object was to provide an alternative breadwinner **almost immediately**, so that the family was not thrown into distress after the death of the Government employee.
19. G.O.Ms.No.612, dated 30-10-1991, likewise expressly describes compassionate appointment as providing **"immediate permanent relief"** to the family of a deceased Government employee.
20. Therefore, the substantial delay in processing my case cannot be treated as a neutral circumstance.
21. The administration itself was required to process the matter with urgency consistent with the object of the scheme.

Delay Timeline

19-03-2001 – Original Junior Assistant application received by Hyderabad Police Commissioner Office

↓ ~1 year 9 months, no progress from Hyderabad Police Commissioner Office

16-12-2002 – Commissioner of Police finally forwarded the case to Hyderabad Collector, suddenly citing there is no vacancy in Police department for requested subordinate office post.

↓ ~3 months

18-03-2003 Collector's proceedings: inappropriate diversion of the applicant's claim without proper examination of the original request and applicable Government Orders, resulting in appointment to the Nursing Orderly Class IV Last grade service post, while the applicant's request for to hold Junior Assistant and the governing provisions relating to the prescribed educational qualification, having minimum educational qualification Tenth/Intermediate for such posts is omitted.

Total Dealy: nearly 2 years from the original application to the Collector's reach.

IV. MY ORIGINAL APPLICATION WAS FOR JUNIOR ASSISTANT — THIS IS THE FOUNDATIONAL FACT

22. My original representation dated **19-03-2001** specifically sought compassionate appointment as **Junior Assistant**.
23. This request was according to governing GO.
24. It was my **original request**.
25. The subsequent official correspondence letter from Hyderabad Police Commissioner office confirms my eligibility to junior assistant post after examining.
26. The Commissioner of Police, Hyderabad City, in the later communication dated **22-06-2004**, recorded that I had approached Government stating that **I had applied for the post of Junior Assistant**.
27. Thus, the administrative record itself establishes that the Junior Assistant claim was a genuine and continuing claim.
28. The crucial administrative question therefore was:

Whether my original request for Junior Assistant was ever properly considered, under the applicable compassionate appointment rules and Government Orders, and rejected by a reasoned decision.

29. I respectfully submit that the record does not demonstrate such a proper adjudication.

V. THE COLLECTOR INSTEAD ALLOTTED ME A NURSING ORDERLY POST UNDER LAST GRADE SERVICE

30. By Proceedings No. **A4/7111/2002 dated 18-03-2003**, the Collector allotted me to the post of **Nursing Orderly** in Nizamia General Hospital against an OC vacancy.
31. The subsequent Hospital appointment order dated **13-05-2003** also proceeded upon that appointment.
32. I respectfully submit that the administration has subsequently treated this lower post as though it conclusively disposed of my original Junior Assistant claim.

33. It did not.

34. The two matters are materially different:

Original claim

Junior Assistant — Subordinate Office / clerical post

Post subsequently allotted was:

Nursing Orderly — Last Grade Service / Class-IV type post

35. This distinction is not ethical.

36. The Government's compassionate appointment instructions themselves expressly distinguish appointments to posts **other than Last Grade Service** from appointments to Last Grade Service.

37. G.O.Ms.No.612, dated 30-10-1991, specifically refers to appointments to posts other than Last Grade Service and separately lays down the treatment of compassionate appointment conditions. It also expressly provides that Junior Assistant in a **Subordinate Office** carries Tenth/Intermediate as the minimum qualification, with provision for candidates to acquire the higher prescribed qualification within reasonable time where applicable.

38. Therefore, a reasoned examination was required as to whether I was eligible for the Junior Assistant category I originally sought on conditional bases to acquire higher qualification with in 3 years from junior assistant appointment.

39. Instead, the administration appears to have **substituted the lower Last Grade Service appointment for the original claim without a demonstrable reasoned adjudication of the original claim**.

VI. THE GOVERNING G.O.Ms.No.612 WAS A MATERIAL DOCUMENT AND COULD NOT PROPERLY BE OMITTED

40. G.O.Ms.No.612, General Administration (Services-A) Department, dated **30-10-1991**, was directly relevant to my case because it governed compassionate appointment to

dependents of deceased Government employees and was already in force when my husband died on 03-02-2001.

41. The Government Order expressly states that the scheme provides immediate permanent relief to the family.

42. More importantly, paragraph GO states that:

    - the minimum qualification for Junior Assistant in Heads of Departments/Directorates was Degree;
    - in **Subordinate Offices it was Tenth/Intermediate**; and
    - candidates without the prescribed higher qualification could, in the circumstances contemplated by the scheme, be considered with reasonable time to acquire the prescribed qualification.

43. The same Government Order expressly distinguishes **Last Grade Service** from the other categories of compassionate appointment.

44. This Government Order was therefore not an incidental document.

45. It was a **governing policy binding instruction directly relevant to the question that I had raised**.

46. Yet the subsequent administrative narration and the present rejection do not demonstrate a proper examination of my original Junior Assistant claim with reference to this Government Order.

47. This omission goes to the root of the decision-making process.

VII. THE UPPER-AGE ISSUE WAS ALSO MATERIAL — PARTICULARLY BECAUSE I HAD MINOR CHILDREN

48. At the relevant time, I had **minor dependent children as per family member certificate**.

49. The Government's consolidated compassionate-appointment instructions specifically record the clarification that:

where the eligible children of the deceased Government servant are minors, the spouse may seek employment under the scheme and, in such cases, **no upper-age limit need be prescribed to the widow having minor children**.

50. Therefore, the age issue could not lawfully or administratively be approached as though it was ordinary direct-recruitment candidate subject to the normal upper-age regime.

51. The relevant compassionate appointment provision concerning the upper age later due to administrative handling was a **material eligibility consideration** for continuing process till sanction of appointment from date of original application.

52. I am not submitting that the existence of minor children automatically vested me with an unconditional right to peruse compassionate appointment.

53. My submission is more precise: The existence of minor children made the specific compassionate-appointment age provision directly relevant, and the competent authority was required to apply and record its consideration of that provision before treating age or eligibility as a barrier to my original claim.

54. Failure to consider this material provision constitutes, prima facie, **non-application of mind**.

VIII. THE COLLECTOR WAS THE NODAL AUTHORITY FOR COMPASSIONATE APPOINTMENT

55. The Government had already placed substantial responsibility upon the District Collectors in compassionate appointment matters.

56. G.O.Ms.No.427 dated 01-07-1991 provided for the Collector to act as the nodal authority for allotting eligible dependents of deceased Government servants to departments where vacancies existed.

57. The instructions required departments/offices to notify vacancies and forward eligible applications to the Collector, who was to monitor such cases and allot eligible dependents to vacancies in departments in the district.
58. Thus, the Collector was not merely a passive forwarding authority.
59. The Collector had an active coordinating and allotting role in the compassionate appointment scheme.
60. Consequently, the failure to properly examine my original Junior Assistant request and the relevant vacancy position assumes greater significance.

IX. MY REPRESENTATIONS WERE NOT A REFUSAL OF EMPLOYMENT

61. After the Nursing Orderly allotment, I continued to pursue my original request for appropriate compassionate appointment.
62. My representation dated **29-01-2004** specifically reiterated my request for appointment as Junior Assistant.
63. I also placed my educational position before the authority, stating that I had completed B.A Degree. I Year and was appearing for B.A. II Year examinations.
64. This is inconsistent with any simplistic interpretation that I had abandoned employment by not availing compassionate appointment.
65. I was attempting to obtain consideration of the **original category of appointment** that I had requested.

X. GOVERNMENT ITSELF CALLED FOR REMARKS — CONFIRMING THAT THE MATTER WAS STILL ALIVE

66. Government Memo No. **3839/WNT/A1/2004-1 dated 19-02-2004** called for remarks from the Director General and Inspector General of Police regarding my representation.

67. The matter therefore remained an active administrative issue.

68. It had not simply concluded with the Nursing Orderly proceedings.

69. The Commissioner of Police correspondence dated **22-06-2004** again recorded that I had stated that I had applied for Junior Assistant.

70. Therefore, the competent authorities were fully aware of the distinction between:

    - my original Junior Assistant request; and
    - the Nursing Orderly appointment subsequently issued.

XI. THE COLLECTOR'S 07-09-2004 COMMUNICATION CREATED THE ADVERSE ADMINISTRATIVE NARRATIVE

71. The Collector's letter No. **A4/6169/2004 dated 07-09-2004** is a particularly important document.

72. It recorded, in substance, that I had been appointed Nursing Orderly against an OC vacancy, that I requested an alternative posting, that the request was rejected, and that the Hospital had informed that I had not joined.

73. However, the communication did not adequately place before the receiving authority the complete factual background, particularly:

    a) my original application for Junior Assistant dated 19-03-2001.
    b) the continuing Junior Assistant claim.
    c) my later educational qualification.
    d) the applicable compassionate appointment Government Orders.
    e) the specific provision concerning upper age where eligible children were minors.
    f) the distinction between Junior Assistant/Subordinate Office and Nursing Orderly/Last Grade Service.
    g) my subsequent request to report for duty and
    h) the later contradictory vacancy position.

74. Consequently, the communication had the effect of reducing a complex administrative dispute into an adverse narrative: **"She was given a job, she did not join, and therefore the matter is attributable to her."**

75. That was not the complete factual position.

76. I respectfully submit that this is precisely the type of administrative omission which requires examination under Section 2(a), Section 2(ea) and Section 2(fa) of the Lokayukta Act.

XII. THE STATEMENT THAT I WAS "NOT INTERESTED" REQUIRES PARTICULAR SCRUTINY

77. The Nizamia General Hospital correspondence subsequently described my conduct as though I had stated that I was **"not interested in this job"** and had requested alternate arrangements.

78. Even if that sentence appeared in an earlier representation, it could not properly be isolated from the circumstances in which the representation was made.

79. My original claim was for Junior Assistant as per governing rules.

80. The administration had instead allotted a Nursing Orderly post.

81. I was therefore seeking consideration of the appropriate compassionate appointment.

82. Most importantly, the later record contains a document dated **20-08-2004** in which I personally reported to Nizamia General Hospital and requested that I **be taken on duty** as Nursing Orderly.

83. This is decisive documentary context.

84. A person who subsequently approaches the Hospital in writing and requests to be taken on duty cannot fairly be portrayed, without qualification, as someone who simply refused employment.

85. At the very least, the records required reconciliation.
86. The administrative authority was required to determine: Was I genuinely refusing employment, or was I attempting to secure the appointment originally sought while also trying to protect my family from further delay by eventually reporting for the lower post?
87. No proper reasoned reconciliation of these documents is apparent.

XIII. THE 20-08-2004 DOCUMENT IS PARTICULARLY IMPORTANT

88. My representation dated **20-08-2004** stated that I had been allotted the Nursing Orderly post and requested that I be taken on duty.
89. This document materially changes the interpretation of the subsequent history.
90. It demonstrates that I did not simply abandon the compassionate appointment process.
91. I attempted to join.
92. This must be read together with the fact that the compassionate appointment scheme was intended to provide immediate relief.
93. Faced with substantial administrative delay, I attempted to report to the Class-IV/Last Grade post that had been allotted to me.
94. That conduct should not subsequently be converted into evidence that I was unwilling to work.
95. If the administration nevertheless relies upon non-joining, it must explain:
    - why my subsequent written request to report for duty was not acted upon;
    - what prevented my joining;
    - whether the post was actually available at that point;

- whether the Hospital had a vacancy;
- and why my conduct continued to be described negatively thereafter.

XIV. THE HOSPITAL'S OWN RECORD CREATES A MATERIAL CONTRADICTION REGARDING VACANCY

96. The Hospital correspondence contains a further issue requiring investigation.

97. At one point the Hospital's communication proceeded on the basis that there was no available OC Nursing Orderly vacancy for me.

98. However, the same later communication recorded that **three Nursing Orderly posts were vacant**, while stating that those posts were reserved for other categories.

99. I do not ask the Hon'ble Lokayukta to assume merely from the existence of three posts that an OC vacancy necessarily existed at that exact point.

100. Rather, I request an objective reconciliation of the records.

101. The Hon'ble Lokayukta may kindly call for:

- sanctioned strength;
- category-wise vacancy register;
- roster register;
- date-wise vacancy position;
- original OC vacancy against which I was allotted;
- movement of that vacancy;
- whether it was filled;
- when it was filled;
- under what roster point;
- **whether my appointment was cancelled automatically**;

- **the authority under which such cancellation was proposed later in 2005.**

102. Without these records, the later statement regarding vacancy issue cannot safely be treated as a complete factual explanation as simple as I did not join.

XV. THE COLLECTOR'S ORIGINAL RECORD ITSELF RECORDED AN OC VACANCY

103. The Collector Proceedings dated **18-03-2003** specifically allotted me as Nursing Orderly against an **existing OC vacancy**.

104. The later Hospital correspondence creates a different factual picture.

105. Therefore, there is a clear documentary issue:

What happened to the original OC vacancy against which the Collector had allotted to me in specific?

106. This is not a mere service dispute.

107. It is an issue of administrative record accuracy, vacancy management, improper application of the compassionate appointment scheme and possible non-application of mind.

XVI. THE DELAY WAS NOT A MINOR MATTER

108. The Government's own instructions make the purpose of compassionate appointment clear: the family should not be left without a breadwinner after the death of the Government employee.

109. The Government instructions specifically state that the purpose is defeated when administrative action does not provide relief almost immediately.

110. My husband died on **03-02-2001**.

111. My original request was made on **19-03-2001**.

112. The case nevertheless remained entangled in administrative correspondence for years.

113. Therefore, any later adverse inference based upon my conduct must be preceded by an examination of the **administrative delay itself**.

114. The administration cannot allow a case to remain unresolved and subsequently rely upon the passage of time as evidence against the applicant.

115. That would amount to converting administrative delay into an adverse factor against the very person whom the scheme was intended to protect.

116. Such conduct, if established, squarely raises the issue of **undue delay in administrative action**, which is expressly included within the statutory definition of maladministration under Section 2(fa).

XVII. THE NEGATIVE PORTRAYAL OF ME MUST BE EXAMINED DOCUMENT BY DOCUMENT

I respectfully request that the Hon'ble Lokayukta examine the following recurring administrative descriptions:

Official impression created	**Complete documentary position requiring examination**
"She did not join."	She subsequently submitted a written request dated 20-08-2004 asking to be taken on duty and later completed BA Degree with in 3 years in 2006.
"She was not interested."	Her original request was for Junior Assistant, and she continued pursuing that claim; later she attempted to report for the allotted post after arbitrary rejections.
"She requested alternative arrangements."	The context was that her original claim was for Junior Assistant, whereas she had been allotted a Nursing Orderly/Last Grade post.

"Nursing Orderly appointment was offered."	That does not establish that her original Junior Assistant claim was ever properly adjudicated.
"The matter was attributable to the applicant."	The record also shows prolonged administrative processing and Government correspondence calling for remarks.
"No suitable OC vacancy was available."	Earlier Collector proceedings record an existing OC vacancy; later Hospital correspondence records No vacant Nursing Orderly posts for OC. These facts require reconciliation.
"The case ended because she did not join."	The later written request to be taken on duty materially contradicts such a simplified conclusion and demands cancellation orders.
"Junior Assistant was not considered."	The original application itself was for Junior Assistant and subsequent official correspondence acknowledges that fact.

117. I respectfully submit that the cumulative effect of these incomplete descriptions is more serious than any individual sentence.
118. They have created a **negative administrative characterisation of me** which has continued to influence subsequent decisions.
119. The present rejection should therefore require Lokayukta investigation report Rejection Not Feasible "citing after elapse of 20 years" is invalid conclusion for unresolved compassionate appointment.
120. It should be examined against the complete original record **including cancellation orders**.

XVII-A. SUBSEQUENT B.A. QUALIFICATION — MATERIAL EVIDENCE THAT MUST NOT BE OMITTED

77-A) I respectfully place before the Hon'ble Lokayukta a further material document which substantially strengthens the factual position concerning my educational qualification.

77-B) The enclosed **Bachelor of Arts Degree Certificate issued by Dr. B.R. Ambedkar Open University, Hyderabad**, certifies that **Smt. Ayilasomayajula Bhavani** was admitted to the **Three-Year B.A. Degree Programme**, appeared for the examination held in **May 2006**, and was declared to have passed the examination in **Third Division**. The certificate bears the date **30-12-2025** and contains the University's verification/signatures.

Note: *"Ayilasomayajula" was my surname before marriage. After my marriage to Late Sri G. Krishna Murthy, I adopted the surname "Ganti Bhavani" in accordance with the customary Hindu/Brahmin practice of adopting the husband's family surname. Accordingly, the name "Ayilasomayajula Bhavani" appearing in the B.A. Degree Certificate and in Tenth/ssc certificate and "Ganti Bhavani" appearing in my other official records refer to* ***one and the same person****, namely the applicant.*

77-C) The significance of this document is not merely that I subsequently obtained a degree. It demonstrates that I **continued my education and ultimately completed the B.A. degree**, notwithstanding the prolonged and unresolved history of my compassionate appointment case.

77-D) This fact assumes particular relevance because my original compassionate appointment request was for the post of **Junior Assistant**, and the Government's compassionate appointment instructions specifically contemplated the educational qualification applicable to Junior Assistant posts in **Subordinate Offices**.

77-E) I therefore respectfully submit that my subsequent educational attainment should not be ignored while reconstructing the complete factual history of my case, particularly when the administration has historically portrayed my case primarily through the lens of the lower **Nursing Orderly/Last Grade Service** appointment.

77-F) The document also provides an important factual context to my representation dated **29-01-2004**, in which I had already stated that I was pursuing my B.A. studies. My eventual completion of the B.A. degree in May 2006

objectively demonstrates that my educational pursuit was genuine and was not an afterthought created for the present proceedings.

77-G) **I specifically request the Hon'ble Lokayukta to examine whether this subsequent qualification, together with my earlier educational status and the provisions of G.O.Ms.No.612 dated 30-10-1991 concerning Junior Assistant posts in Subordinate Offices, was ever brought to the notice of or later considered by the competent authorities.**

77-H) If the department's present or historical rejection is based upon an assumption that I was not academically suitable for the Junior Assistant category, the original records may kindly be examined to determine **whether such conclusion was actually supported by the rules applicable to compassionate appointment at the relevant time, or whether it resulted from failure to consider the applicable provisions and my continuing educational pursuit.**

77-I) I further request that this document be placed on the original administrative file and specifically considered in any fresh departmental examination, so that my case is not thereafter represented solely as a case of a person who was offered a Last Grade Service post being categorially illiterate and allegedly failed to join.

XVIII. NON-APPLICATION OF MIND IS DEMONSTRATED BY THE FAILURE TO RECONCILE MATERIAL DOCUMENTS

121. A reasoned administrative decision necessarily requires consideration of material documents which directly bear upon the issue.

a) In my case, the following documents cannot rationally be ignored:

b) Original Junior Assistant representation dated 19-03-2001.

c) Collector Proceedings A4/7111/2002 dated 18-03-2003.

d) Nursing Orderly appointment order dated 13-05-2003.

e) My subsequent representations.

f) My representation dated 29-01-2004 reiterating Junior Assistant request.

g) Government Memo dated 19-02-2004.

h) Commissioner of Police letter dated 22-06-2004 expressly recording my Junior Assistant claim.

i) My request to report for duty dated 20-08-2004.

j) Collector letter dated 07-09-2004.

k) Hospital correspondence dated 02-03-2005.

l) The Hospital's subsequent vacancy statement.

m) The governing compassionate appointment Government Orders.

n) The applicable provision concerning upper age in the case of a spouse where eligible children were minors.

o) G.O.Ms.No.612 dated 30-10-1991.

p) G.O.Ms.No.427 dated 01-07-1991.

q) The complete vacancy and roster records.

122. If these documents were not considered, there was non-application of mind.

123. If they were considered but deliberately omitted from the reasoning, the omission requires explanation.

124. If they were considered but rejected, the reasons should appear in the file.

125. If no such consideration exists, the present rejection cannot reasonably be regarded as a fully informed administrative decision.

XIX THE ATTEMPT TO TREAT THE CASE AS ONLY A LAST-GRADE APPOINTMENT IS ITSELF MATERIAL

126. The subsequent administrative narrative effectively treats my case as though the only question ever presented was whether I would accept the Nursing Orderly post.

127. That is factually incomplete.

128. The original claim was for Junior Assistant.

129. G.O.Ms.No.612 itself demonstrates that compassionate appointment instructions distinguished Last Grade Service from other posts and expressly addressed Junior Assistant in Subordinate Offices.

130. Therefore, reducing the entire case to a Last Grade Service appointment effectively removes the most important issue from consideration.

131. I respectfully submit that this is a classic example of non-application of mind through narrowing of the issue.

XX THE RECENT REJECTION SHOULD HAVE CORRECTED THE HISTORICAL ERROR — INSTEAD IT PERPETUATES IT

132. The present Collector Office rejection had an opportunity to examine the complete historical record.
133. Instead, if the rejection relies substantially upon the old narrative that I did not join, was not interested, or was offered employment, it merely reproduces the historical administrative conclusion without testing its foundation.
134. An authority reconsidering a matter after receiving the original documents is expected to examine whether the earlier administrative conclusion was itself correctly reached.
135. A later decision cannot cure an earlier omission by simply repeating the same conclusion.
136. The recent rejection therefore requires scrutiny as an independent administrative action.

XXI THIS COMPLAINT DISCLOSES VERIFIABLE MATERIAL AND IS NOT FRIVOLOUS

137. The complaint is supported by contemporaneous Government records.

138. I rely upon official documents generated by:

- the Collectorate;
- Government Secretariat;
- Police Department;
- Nizamia General Hospital; and
- my own contemporaneous representations.

139. I am not relying upon oral allegations alone.

140. The contradictions identified above can be objectively tested by calling for the original files.

141. The Investigation Rules specifically contemplate preliminary verification on the basis of complaints, affidavits and documents, and permit the Lokayukta to call for remarks/information/report from the concerned department or conduct a confidential probe.

142. Where verifiable details justify further action, the Rules permit a prima facie investigation to be ordered.

143. This complaint therefore clearly raises matters requiring at least preliminary verification.

XXII. REQUEST FOR CALLING OF ORIGINAL RECORDS

144. I respectfully request that the Hon'ble Lokayukta may call for the following original records:

A. Collectorate records

a) Complete File No. A4/7111/2002.

XXIII POWERS OF THE HON'BLE LOKAYUKTA TO OBTAIN THE RECORDS

145. Section 11 of the Act provides the Lokayukta with powers to require public servants or other persons to furnish information and documents and confers powers analogous to those of a Civil Court in relation to discovery and production of documents, requisitioning public records and receiving evidence on affidavit.
146. The Investigation Rules likewise expressly permit requisitioning public records and summoning persons/documents.
147. I therefore respectfully request that the Hon'ble Lokayukta may obtain the original files rather than relying exclusively upon later departmental summaries.

PRAYER

In the above circumstances, I most respectfully pray that the Hon'ble Lokayukta may be pleased to:

A. ADMIT AND REGISTER THIS COMPLAINT

1. Treat this representation as a complaint under Section 9(1) of the Telangana Lokayukta Act, 1983, concerning my grievance as a person aggrieved by maladministration.
2. Treat the recent rejection/endorsement of the Hyderabad Collector Office as the present administrative action complained of, with the historical documents forming the evidentiary background.

BEFORE THE HON'BLE LOKAYUKTA / UPA-LOKAYUKTA, TELANGANA
COMPLAINT / REPRESENTATION UNDER SECTION 9(1) OF THE TELANGANA LOKAYUKTA ACT, 1983
Lokayukta Case No:

B. CONDUCT PRELIMINARY VERIFICATION

1. Conduct preliminary verification under the Telangana Lokayukta and Upa-Lokayukta (Investigation) Rules, 1984.
2. Call for the complete original files and note files rather than relying upon the abbreviated version of facts contained in the recent rejection.
3. Call for confidential remarks/reports from the concerned departments as contemplated by Rule 5.

C. EXAMINE THE CENTRAL ISSUE OF NON-APPLICATION OF MIND

1. Determine whether my original application dated **19-03-2001** seeking Junior Assistant was ever properly considered.
2. Determine whether the applicable compassionate appointment Government Orders, particularly **G.O.Ms.No.612 dated 30-10-1991**, were actually considered.
3. Determine why the distinction between:
   Junior Assistant/Subordinate Office and **Nursing Orderly/Last Grade Service** was not properly addressed.
4. Determine whether the relevant provision concerning **upper age where eligible children were minors** was considered.
5. Determine whether the Collector's decision-making process examined my educational qualification and the applicable qualification rules for Junior Assistant.
6. Determine whether any reasoned order ever rejected my original Junior Assistant request.

D. EXAMINE THE ADVERSE NARRATIVE AGAINST ME

1. Examine the official statements portraying me as:
   - "not interested";
   - unwilling to join;
   - failing to join;

- seeking alternative arrangements;
- or otherwise responsible for the non-finalisation of the appointment.

2. Compare each such statement against the complete contemporaneous record.
3. Specifically consider my written request dated **20-08-2004** asking the Hospital to take me on duty.
4. Determine whether the later official narration omitted this material document.
5. Determine whether the cumulative effect of such omissions created a misleading adverse impression against me.

E. EXAMINE THE VACANCY CONTRADICTION

1. Call for the original OC vacancy record against which I was appointed as Nursing Orderly.
2. Examine the subsequent Hospital statement concerning non-availability of an OC vacancy.
3. Reconcile that statement with the subsequent record showing three Nursing Orderly vacancies.
4. Examine the roster and vacancy registers and identify what happened to the original OC vacancy.
5. Determine whether the vacancy was filled, diverted, reclassified or otherwise dealt with and under whose authority.

F. EXAMINE ADMINISTRATIVE DELAY

1. Examine the delay from **03-02-2001**, the date of death of my husband, to the subsequent stages of processing.
2. Determine whether any part of the delay was caused by the Collectorate, Police Department, Hospital or other public authorities.
3. Examine whether the administration subsequently relied upon the consequences of its own delay to create an adverse inference against me.

4. Examine the matter in light of the Government's own declared objective that compassionate appointment is intended to provide **immediate relief**.

G. EXAMINE THE RECENT REJECTION

1. Examine whether the recent Collector rejection:
   - considered the original Junior Assistant application;
   - considered G.O.Ms.No.612;
   - considered the minor children/upper-age provision;
   - considered the distinction between Last Grade Service and Subordinate Office;
   - considered the 20-08-2004 joining request;
   - considered the vacancy contradiction;
   - considered the Government correspondence;
   - and considered the complete historical record.
2. If any of these material issues were omitted, kindly record that such omission constitutes **non-application of mind/material administrative omission**

H. CORRECT THE ADMINISTRATIVE RECORD

1. If the allegations are substantiated, kindly recommend/direct, within the jurisdiction of the Hon'ble Lokayukta, that the concerned departments **correct the factual administrative record** so that the historical case is not thereafter represented merely as one in which Smt. G. Bhavani refused or failed to accept employment.
2. Kindly ensure that the complete factual history, including the original Junior Assistant claim, is made available to the competent departmental authority for fresh consideration.
3. Kindly direct that no future administrative decision concerning this matter should rely upon an incomplete or misleading narrative without considering the documents identified in this complaint.

BEFORE THE HON'BLE LOKAYUKTA / UPA-LOKAYUKTA, TELANGANA
COMPLAINT / REPRESENTATION UNDER SECTION 9(1) OF THE TELANGANA LOKAYUKTA ACT, 1983
Lokayukta Case No:

I. DEPARTMENTAL REDRESSAL

1. If the Hon'ble Lokayukta finds that the grievance can appropriately be remedied at departmental level, I respectfully request exercise of the power under **Rule 5(6)** to send the relevant records to the concerned departmental authority with suitable directions for appropriate action. The Rules expressly contemplate this course where the injustice/grievance can be remedied departmentally.
2. If the material discloses a prima facie case of maladministration requiring investigation, I respectfully request that formal investigation be ordered under the Act and Rules.

J. REPORT AND RECOMMENDATIONS

1. If the allegations are found substantiated wholly or partly, I request a report containing findings and recommendations under **Section 12** of the Act.
2. Section 12 provides for communication of substantiated findings and recommendations, together with relevant documents/material/evidence, to the competent authority.
3. I further request that the concerned department be required to take appropriate action on the findings and communicate the action taken/proposed.

XXIV. FINAL SUBMISSION

- I respectfully submit that I have approached the Hon'ble Lokayukta **not to obtain sympathy, nor to bypass the service rules, nor to claim an automatic right to a particular post**.
- I seek only a fair examination of what actually happened and address to injustice that has taken place.
- My case began with a specific request for **Junior Assistant as per rules in force**.

- Instead of that claim being transparently adjudicated under the governing compassionate appointment framework, I was allotted a **Nursing Orderly post in Last Grade Service**.
- When I continued to seek consideration of my original claim, the administrative record increasingly presented the matter as though I had simply refused the employment offered to me.

Yet the contemporaneous documents show:

- **I originally sought Junior Assistant.**
- **The Government knew that this was my original claim.**
- **The applicable Government Order specifically dealt with Junior Assistant in Subordinate Offices.**
- The applicable compassionate appointment instructions contained a specific provision concerning upper age of a widow, primary applicant where the deceased employee left with minor children.
- The scheme was intended to provide immediate relief.
- The Collector was the nodal authority for coordinating compassionate appointments.
- I continued to pursue my claim.
- I ultimately submitted a written request to be taken on duty.
- The Hospital's vacancy record subsequently created a material contradiction requiring reconciliation.
- Yet the adverse narrative that I was "not interested" or failed to join continued to be carried forward.
- The present rejection, instead of examining and correcting this history, appears to continue the same narrative.

- I therefore respectfully submit that the real grievance is: **not merely denial of Junior Assistant, but denial of a fair administrative consideration of my original claim, followed by omission of material Government Orders and facts, unreasonable delay, incomplete recording of facts, creation of an adverse impression against me, failure to reconcile contradictory official records, and perpetuation of that administrative error into the present.**

- The statutory definition of maladministration expressly covers unreasonable/unjust administrative action and wilful negligence or undue delay.

BEFORE THE HON'BLE LOKAYUKTA / UPA-LOKAYUKTA, TELANGANA
COMPLAINT / REPRESENTATION UNDER SECTION 9(1) OF THE TELANGANA LOKAYUKTA ACT, 1983
Lokayukta Case No:

- The Hon'ble Lokayukta's statutory role encompasses investigation of administrative action, including omissions and failures to act, and the Act expressly provides a mechanism for redressal of grievances arising from maladministration.
- I therefore humbly request that the Hon'ble Lokayukta **look behind the abbreviated administrative narration and examine the original record as a whole**, so that the truth and complete factual position may be placed before the competent departments.
- I respectfully request that the Hon'ble Lokayukta may not allow an incomplete administrative narrative created in the early stages of the case to become the permanent official version of what happened to me.
- **I seek correction of the record, accountability for maladministration where established, and a fair departmental reconsideration based upon the complete and truthful record.**

I shall fully cooperate with any preliminary verification or investigation and shall produce all documents in my possession and attend the hearing whenever required.

Hence this complaint.

A2	G.A. Memo No.618/Ser.A/78-11, dated 17-12-1979	Completes the Government clarification concerning upper-age-limit relaxation for the spouse where eligible children are minors. records that where eligible children are minors, the spouse may seek employment and “no upper age limit need be prescribed.”	-38 to 44-
A3	G.A. Memo No.5786/Ser.A/97-14, dated 02-11-1999	Government clarification concerning compassionate appointments and O.C. vacancies, including availability of O.C. vacancies for compassionate appointment.	-45 to 46-
A4	Smt. Ganti Bhavani's original application for compassionate appointment Dated: 19 MAR 2001	Foundational document. It expressly requests appointment as Junior Assistant, states that her husband died while in service/on duty on 03-02-2001, records SSC qualification and specifically invokes G.O.Ms.No.612 for reasonable opportunity to acquire higher qualification.	-47-
A5	G.O.Ms.No.60, G.A. (Ser.A), dated 11-02-1997	One of the most important annexures. It expressly provides that candidates without the prescribed qualification may be considered for compassionate appointment; specifically distinguishes Junior Assistant in Heads of Departments/Directorates (Degree) from Junior Assistant in Subordinate Offices (Intermediate) and permits **candidates possessing at least Intermediate/Tenth to be given reasonable time to acquire the higher qualification** after appointment.	-48 to 49-
A6	Commissioner of Police Memo No.L&O/01/565/2001, dated 23-03-2001	Shows that the Police Department acknowledged Bhavani's compassionate-appointment application and directed a discreet enquiry, collection of certificates and assistance to the applicant. It demonstrates that she was actively cooperating with the process.	-50-
A7	Commissioner of Police letter No. L60/01/565/2001. Dated 16/12/ 2002 to Hyderabad Collector	Forwarding expressly records that her application was received on 19-03-2001, that she belonged to O.C., had passed SSC, and that she was eligible for Junior Assistant; it also records verification of her SSC certificate and character/antecedents.	-51-

A8	Bhavani's submission of certificates to Hyderabad Collector in reference to Rc.No. A4/7111/2002, dt. 31.12.2002.	Shows continued cooperation by Bhavani and submission of SSC, death, legal-heir and caste certificates; also records that originals had already been submitted during police verification.	-52 to 53-
A9	Original SSC certificate	Documentary proof of Bhavani's educational qualification and identity details. The certificate records the name Ayalasomayajula Bhavani and SSC qualification.	-54-
A10	Family Members Certificate	Documentary evidence concerning the family/dependants of the deceased employee, including Bhavani and the children, relevant to the compassionate-appointment context.	-55-
A11	Financial Status Certificate, dated 25-04-2001	Regards to social-security/immediate-relief aspect. It records Bhavani as wife, the children as dependants/students, states that the family members were dependants on the deceased and that pension had not yet been sanctioned also record present age of minor children at that time.	-56-
A12	Collector Proceedings No.A4/7111/2002, dated 18-03-2003	impugned historical proceeding. It records the original application dated/received 19-03-2001, the death in harness, the Police Department's request for compassionate appointment, and that Bhavani was eligible for Nursing Orderly after examination and allotted to Nursing Orderly and directed appointment under Rule 7(a)(1) of Last Grade Services Rules, rather than deciding the original Junior Assistant claim under the relevant compassionate-appointment provisions. **This is central to the alleged downgrading/non-application of mind.**	-57 to 58-
A13	Bhavani's representation seeking alternative post in defence with downgrading, Letter submitted dated 07/04/2003. Before release of appointment	Documentary evidence that Bhavani was seeking an alternative job/post, explaining that she had two children and was concerned about their future, while also pursuing higher education. This should be used to rebut any narration that she simply refused compassionate employment.	-59-
A14	Nizamia General Hospital appointment order No.52/A1/NGH/2003, dated 13-05-2003	Important contradiction document records the Collector's allotment as Nursing Orderly, temporary appointment, existing vacancy and direction to report within 30 days. It demonstrates exactly what post was offered and under which service rules. Offering Class IV post suitable for illiterates not having minimum educational qualification.	-60-

A15	Bhavani's subsequent handwritten representation dated 15/10/2003	Despite the self-evident impossibility of executing night shift mandates without compromising the safety and welfare of minor dependent children, the administrative machinery processed the representation through standard bureaucratic channel noting it through the District Revenue Officer and the Collector's Peshi. Hand written Telugu letter submits In the Ayurvedic hospital, staff are asked to perform night duties. Therefore, I am requesting that I not be posted at this hospital because I have minor dependent children. I earnestly pray that you kindly consider my request for a transfer to an Attender post in the medical department at another location as per Go , where widow is expressively eligible to express her feeling place where she feels secure.	-61-
A16	Collector Memo No.A4/7111/2002, dated 03-11-2003	Critical: records that Bhavani's request for posting as Attender in another department was rejected. It also expressly refers to her applications dated 07-04-2003 and 15-10-2003. This establishes the continuing administrative history rather than a single refusal by the applicant and without any specific reason mentioning rejects the request country to humanitarian grounds and maladministration.	-62-
A17	Bhavani's representation asking for Junior Assistant appointment as per original application dated 29/Jan/2004	records her continuing claim for appointment as Junior Assistant, referring to the Collector's 18-03-2003 proceedings and stating that she had progressed in B.A. studies. It supports the contention that her original claim remained alive and was not simply abandoned.	-63-
A18	Government Home Department Memo No.3839/WNT/A1/2004-1, dated 19-02-2004 and DGP endorsement	Establishes that Bhavani approached the Government regarding compassionate employment and that the Government sought remarks from the police authorities. This demonstrates continued administrative pursuit of the claim.	-64-
A19	Commissioner of Police letter dated 22-06-2004	The Police Department itself records that Bhavani had applied for Junior Assistant, but the Collector had appointed her as Nursing Orderly on 18-03-2003 instead. This is powerful contemporaneous documentary evidence for the distinction between her original request and the post actually offered.	-65-
A20	Bhavani's submission regarding reporting for duty on 20-08-2004	Evidence of her subsequent attempt/communication concerning reporting for duty and the Nursing Orderly appointment after un explainable rejected memos ,	-66-

		Maladministration, creating circumstances and forcing a widow to join in class IV post, despite of her educational qualification SSC and perusing BA degree II year.	
A21	Nizamia General Hospital letter dated 20-08-2004, regarding Nursing Orderly appointment, stated objection	**Crucial contradiction**: the Hospital records the sequence of Bhavani's applications and states that she had expressed that she was not interested in the job and that the Collector was requested to cancel the appointment. importantly, it further states that at present no Nursing Orderly post was available for her.	-67-
A22	Collector letter No.A4/6169/2004, dated 04-09-2004 addressing remarks to Commissioner of police	One of the strongest document for the maladministration argument. It states that Bhavani had been appointed Nursing Orderly, says her request for Attender posting was rejected, and states that she had not joined the post. t should be read together with A21 rather than simply narrating not joined or not interested in job.	-68-
A23	Superintendent, Nizamia General Hospital Letter No.1409/A1/NGH/2004, Dated 2-3-2004 submitted to collector	**Key contradiction:** the Hospital itself records that Bhavani had stated she was not interested and sought alternate arrangements, but later records that she requested permission to report for duty; most importantly, it states that three Nursing Orderly posts were vacant, but were reserved for SC/ST/PHC categories and no O.C. Nursing Orderly post was available. This directly requires examination against the earlier vacancy narrative.	-69-
A24	Dr. B.R. Ambedkar Open University B.A. Degree Certificate	Documentary evidence of Bhavani's subsequent educational qualification, showing the B.A. degree passed in May 2006 in order to secure junior assistant post.	-70 to 77-

Memo No.618/Ser.A/78-11, Dated 17th December, 1979.

Sub: Public Services - Subordinate Services - Employment of dependent children of deceased Government employees who die in harness- Recruitment procedure - Relaxation of Employment Exchange procedure - Certain clarifications - Issued.

Ref: 1. G.O.Ms.No.687, General Administration (Services.A) Department, dated 3rd October, 1977.
2. Memo No.51/Services-A/78-1, dated 10th February, 1978.

* * *

As a measure of social security the Government issued orders in G.O.Ms.No.1005, Employment and Social Welfare, dated 27th December, 1974 providing relief to the family of a Government servant who dies in harness by appointing his son or daughter or spouse in Government service, without the medium of Employment Exchange, subject to the conditions among other things that there is no other earning member in the family. With reference to these orders several Collectors and Heads of Departments raised various points for clarification and necessary clarifications were issued in Government Memo No.529/G.1/75-8, Employment and Social Welfare dated 19th August, 1975. Later on certain representations made by members of the families of deceased Government employees, the scheme was examined with a view to provide permanent relief and orders were issued in G.O.Ms.No.687, General Administration (Ser.A) Department, dated 3rd October, 1977, in supersession of the earlier G.O. specifying the procedure for making regular appointments of the dependents of deceased Government employees, the categories of posts of which such dependents are eligible and the time within which application for appointment should be made. After

the issue of G.O. also certain points were raised regarding relaxation of educational qualifications, age for appointment and the time limit for submission of applications etc. The Secretaries to Government discussed the points at a meeting held on 2nd November, 1979 and made their recommendations. The recommendations are accepted and embodied in the annexure to this Memo along with the clarifications previously issued in Government Memo No.529/G1/75-8, Employment and Social Welfare dated 19th July, 1975 in so far as they can be adopted in G.O.Ms.No.687, General Administration (Services.A) Department, dated 3rd October, 1977 for the guidance of the appointing authorities.

The Heads of Departments etc., are requested to bring these clarifications to the notice of all appointing authorities for their guidance.

S.R.RAMAMURTHI
CHIEF SECRETARY TO GOVERNMENT.

ANNEXURE

Sl.No.	Point	Clarification
1.	Whether appointment will be made in the same department where the deceased Government employee worked while in service or in any other Department?	It should be in the same Department as far as possible, as, there will be a vacancy or a consequential vacancy in the Department or office where the deceased worked. There is, however no objection to the appointment in an office other than the office in which the employee worked prior to his death. If the dependent happens to be a women it may be better in her own interest that she is provided with a job nearer to the place where she would find it secure to live.
2.	When the elder earning member is separated from the family whether the younger brother can be appointed or not?	It should not matter if son has divided himself from family and is already employed. If the family is without a bread winner, a son/daughter out of the remaining or the wife may be given job.
3.	From whom the certificate of 'No earning member in the family' is to be obtained?	The person seeking employment can declare that no other member in the family is earning. In case, the declaration is found defective at a later date, his/her services are liable to be terminated besides any other action would be taken under the law.
4.	In a case of non-availability of a vacancy readily, whether a temporary candidate has to be	The main approach is to accommodate the person in the same office mostly in posts of Class-IV and LDCs. In the unlikely contingency of a vacancy not being available,

	retrenched to appoint the dependent of the deceased employer?	he/she will have to wait for some time. The idea is not retrench any temporary employee and create heart burning.
5.	Whether such a candidate can be employed by passing the existing panel of the candidates?	Panels are prepared for promotions. As the idea is to appoint him/her in the lowest category this will not arise. The Employment Exchange has merely to be informed.
6.	Whether the dependent of the deceased employee can be considered for appointment to any post irrespective of the status held by the deceased employee?	The dependent of the deceased has to be considered for the categories of posts whose pay is equal to or less than that of L.D.C. and for which he/she is eligible based on qualifications and other conditions as prescribed in the relevant rules. The post held by his/her deceased parent is not at all criterion to be taken into account.
7.	Whether the GO is applicable to the pensioners?	The pensioners will not at all come within its purview.
8.	Whether the concession is applicable to the dependents of an employees who died while on leave?	The GO would apply to cases where a Government servant while in service, died in harness It is immaterial whether the deceased employee was on leave or on deputation or on other duty or on training or under suspension etc. The only point is that he/she should not have retired from service.
9.	Whether the adopted child of a deceased employee may come under the definition of child in terms of this GO?	The answer is in the negative.
10.	While the first son is in the army and the second son is	If the first son in the army is separated from the family, the clarification against point 2 will

11.	Whether the widowed daughter who is the only legal heir of a Government employees who died in harness is also eligible for the said concession?	Such a widowed daughter can avail herself of the concession provided she produces a certificate to the effect that she is the only heir to the deceased employee, herself being left without any property from her husband side and that she was solely dependent on the deceased such a certificate should be obtained from an authority in the Revenue Department not lower in rank than that of Revenue Divisional Officer.
12.	Whether condition 2 in para 2 of the G.O. regarding the time limit for the submission of application for employment will apply to the dependents of Government servants who died during the period 27-10-1973 to 27-12-1974?	The application for appointment of such persons may be entertained within one year from 3.10.77 (date of G.O.Ms.No.687, of 1977).
13.	Whether a minor dependent child of a deceased Government employee can be considered for appointment?	A minor dependent of the employee who dies in harness should not be considered for providing employment under this scheme, as there cannot be any contractual obligation between the Government and the employee who is a minor. The intention of the Government being to see that the family is not exposed to destitution, the relief by taking somebody for employment, should be immediate. Therefore, a spouse or a child of

		the deceased Government servant should immediately apply for this relief. However, in case where due to the fact that the child is a minor or he has not attained the educational qualification, it should be possible for them to ask for the relief within a reasonable time, which may be two years from the date of demise of the Government Servant. In such a case, the fact should be communicated to the Government.
14.	Whether cases of the dependents of Government servants who died prior to the issue of G.O.Ms.No.1005 Employment & Social Welfare dated: 27-10-1974 can be considered for appointment?	Cases of the dependents of Government servants who died prior to the 27-10-1973 should not be entertained under this scheme.
15.	Whether the educational qualification may be relaxed in favour of the dependents of a deceased employee seeking a job under this scheme?	No relaxation of educational qualification for a post whose pay is equal to or less than that of LDC either in Department of Secretariat or in the office of Heads of Departments or in the Subordinate Offices in the Districts should be considered under any circumstances.
16. 2. G.O.Ms.No.110, Genl. Admn. (Ser-A) Dept., dt. 22-02-1984.

3. From the District Collector, Kurnool, letter No. Rc.A7/4212/96, Dated 15.01.1997.

***

In G.O.Ms.No.84, General Administration (Ser.A) Department, dated 17.2.1982 read with G.O.Ms.No.110, General Administration (Ser.A) Department, dt.22.2.1984 instructions were issued that the dependents of deceased Government servants shall not be appointed in the vacancies reserved for S.Cs., S.Ts., and B.Cs., unless they are members of the respective communities and that they shall be considered for appointment in the vacancies meant for O.C. candidates, if they are readily available, and if such vacancies are not readily available, they may be appointed against supernumerary posts to be created for the purpose. Instructions were also issued there in that any supernumerary post to be created for the purpose Instructions were also issued therein that any supernumerary post so created shall continue till such time a vacancy arises as per roster for O.C. candidates and when a regular vacancy arises as per roster, the supernumerary post so created automatically ceases. The said G.O. further lays down that the above procedure shall be adopted for the dependents of deceased Government employees who belong to S.C., S.T. or B.C. community when there is no vacancy for that community as per the roster.

2. The District Collector, Kurnool, while referring to the above said G.O., has stated that supernumerary posts are to be created separately for O.Cs., S.Cs., S.Ts. and B.Cs., if there are no vacancies for these categories as per the roster which shows that O.C. vacancies are not exchangeable to reserved categories. He has further stated that the erstwhile General Rule 22 (ii)(b) is also not applicable to compassionate appointments, as merit is not tested on competitive basis, to consider the claims of S.Cs/S.Ts./B.Cs. against O.C. vacancies. The District Collector Kurnool has therefore, presumed that the reserved category candidates may not be considered for appointment against O.C. vacancies under compassionate grounds when there are no vacancies for them and sought clarification in this behalf.

3. The matter has been examined and it is hereby clarified that O.C. vacancies are not reserved category vacancies in the roster and any body including candidates belonging to reserved categories can also be accommodated in the O.C. Vacancies. Further the contention of the District Collector that the claim of S.Cs/S.T./B.C.

candidate against O.C. vacancy can not be considered under the scheme of compassionate appointments as merit is not tested on competitive basis is also not correct. The objective of the scheme is to provide immediate succour to the family of the deceased employee duly providing alternate bread winner by giving appointment on compassionate grounds but not on competitive basis. As such these appointments are kept outside the purview of Andhra Pradesh Public Service Commission/ District Selection Committee and Employment Exchange and are to be treated as direct recruitments. Therefore in the absence of vacancies for reserved categories in the roster and if there are any O.C. vacancies available, the S.C/S.T./B.C. dependent candidates can be considered for appointments under the Scheme of compassionate appointments against such O.C. vacancies instead of creating supernumerary post. Hence the presumption of District Collector, Kurnool, that the reserved category candidates may not be considered for appointment against O.C. vacancies under the scheme of compassionate appointments is not in order.

4. It is further clarified that if there is an O.C. vacancy available, it can be utilized by appointing the S.C/S.T./B.C. candidate under the scheme of compassionate appointments to the dependents of deceased Government employees even if there are no vacancies available for these reserved categories as per the roster instead of creating supernumerary posts. The supernumerary post has to be created only in the absence of the vacancy meant for O.C. category. Similarly in case of O.C./S.C/S.T./B.C. candidates, if there is no immediate vacancy for that particular community and if O.C. vacancies are available in the roster after certain reserved category vacancies, such O.C. vacancies can be utilized, by-passing the immediate S.C/S.T./B.C. vacancies for accommodating and appointing the O.C./ S.C/S.T./B.C. candidate under the scheme of compassionate appointments. Therefore, there is not need to create supernumerary post when O.C. vacancy is available in the roster.
