Subject: Request for examination of entitlement to Extraordinary Family Pension under AP/TS Extraordinary Pension Rules – Late Sub Inspector G. Krishna Murthy – Death on Duty 03-02-2001 – Police Widow PPO No. 65005215 – Reg.

* * *

Respected Sir/Madam,

I, Smt. Ganti Bhavani, W/o Late Sri G. Krishna Murthy, respectfully submit that I am presently receiving ordinary Family Pension under PPO No. 65005215. However, my husband's possible entitlement to Extraordinary Family Pension has never been separately and conclusively examined.

My husband was a Sub-Inspector of Police attached to Rakshak Mobile duty, working unit Hyderabad City Police, Special Investigation Team who died on 03-02-2001 due to sudden cardiac arrest inside Trimulgherry Police Station under Active Night Duty circumstances. The recent Police enquiry states that the competent authorities had already classified his death as “Death on Duty.”

I respectfully invite attention to Rule 5(1)(a) of the AP/TS Revised Pension Rules, 1980, under which the claim is governed by the rules in force on the date of death. Appendix V, Rules 209, 209.1, 211, 213 and 220.1–2 20.2 specifically provide for Extraordinary Pension/Family Pension, State Government sanction, and an Audit Officer's report regarding admissibility.

In particular, Rule 213 requires the Extraordinary Pension Rules to prevail where a Government servant dies by a disease like Heart attack as a result of “risk of office” or “special risk of office,” rather than Natural Death in service of ordinary Family Pension, therefore respectfully request your office to kindly

1. Verify whether any Extraordinary Family Pension proposal relating to Late Sri G. Krishna Murthy was ever received/audited;

2. Confirm whether the present PPO No. 65005215 represents only ordinary Family Pension and whether any Extraordinary Pension determination was ever made;
3. Inform whether, under Extraordinary Pension Rules the Audit Officer can examine/report the admissibility and take charge after the competent authority determines the qualifying duty/risk-of-office status
4. Inform what documents/proceedings are required from the Police/State Government for such examination; and
5. If no Extraordinary Pension examination was ever undertaken, kindly inform me of the proper procedure for placing the case before the competent authority according to rules in force.

I obediently seek clarification and examination within the role assigned to the Audit Officer under Extraordinary Pension Rule so that my family is not deprived of a benefit merely because the Extraordinary Pension question was never separately examined, which may be continuing wrong and hence requesting your good office to kindly facilitate the forwarding/placing of my claim before the competent authority of the State Government/State Police Department for necessary examination and action under the Extraordinary Pension Rules, and, upon receipt of the requisite proposal and records, to kindly examine and report on the admissibility of the Extraordinary Family Pension and the amount thereof in accordance with Extraordinary pension rules

APPENDIX - V

Extraordinary Pensions

(Extract from Manual of Pensions issued in 1976)

209. Extraordinary pension is sanctioned under the Extraordinary Pension Rules, Andhra Pradesh Extraordinary pension/gratuity/family pension is awarded to a person to whom these rules are applicable vide para 210 below and who suffers an injury or is killed or dies as a result of accident or violence. It is also awarded to those who contract.

(i) venereal disease or septicaemia whether such disease is contracted by a medical officer as a result of attendance in the course of his official duty on any patient or of conducting post-mortem examination in the course of that duty; or

(ii) a disease solely or directly attributable to an accident; or

(iii) an epidemic disease contracted by an officer in consequence of his being ordered on duty to an area in which such disease is prevalent or in consequence of his attending voluntarily out of humanitarian motives, upon any person suffering from any such disease, in any area where he happens to be in the performance of his duties. The injury or disease may be a risk of office or special risk of office. The term “accident”, “disease”, “injury”, “risk of office” and “special risk” and “violence”, are defined in the rules. These terms, therefore, have the specific meaning, as defined in these rules, in the application of these rules.

209.1 This is a special award in addition to the pension or gratuity admissible under any other rules unless stated otherwise in the rules.

210. **To whom applicable** :- It shall apply to all persons paid from civil estimates other than those to whom the Workmen’s Compensation Act 1923 (Act VIII of 1923) applies, whether their appointment is permanent or temporary or on time scale of pay or fixed pay or piece-work rates, who are under the rule-making control of the State Government.

211. **Competent authority to award Extraordinary Pension :-** Extraordinary pension is awarded under these rules with the sanction of the

State Government only. In making an award the State Government may take into consideration the degree of default or contributory negligence on the part of the Government servant who sustains an injury or dies as a result of an injury or is killed.

212. **Award of extraordinary pension not to affect other pensions unless where so stated in the rules - not to be taken into account for fixing pay on re-employment:-** An award made under these rules except where otherwise stated in the rules, shall not affect any other pension or gratuity for which the Government servant concerned or his family may be eligible under any other rules and the pension granted under the provisions of these rules shall not be taken into account in fixing the pay of the pensioner on his continued employment or re-employment in Government service.

213. **Extraordinary Pension Rules to prevail where these rules and Family Pension Rules of 1964 are applicable in certain cases :-** In respect of cases arising on and after 24-1-1969 family pension to the families of Government servants governed by the Family Pension Rules of 1964 as well as the Extraordinary Pension Rules of Andhra Pradesh, who die as a result of “risk of Office” or “special risk of office” as defined in these rules, shall be paid only under these rules and not under the Family Pension Scheme of 1964. For the purposes of the Extraordinary Pension Rules, “injuries”, as defined in the rules, are classified into 3 classes and depending upon the class under which the injury sustained by a Government servant falls, the gratuity or pension admissible to him has to be determined with reference to rule 9 of the Extraordinary Pension Rules. The classification of injuries are as follows :

Class ‘A’ :- Injuries caused as a result of special risk of office which have resulted in the permanent loss of an eye or a limb or are of a more serious nature.

Class ‘B’ :- Injuries caused as a result of special risk of office and equivalent, in respect of the degree of disablement which they cause to the loss of a limb or are very severe; or injuries caused as a result of risk of office which have resulted in the permanent lost of an eye or limb or are of a more serious nature.

Class ‘C’ :- Injuries caused as a result of special risk of office which are severe, but not very severe, and likely to be permanent; or injuries caused as

a result of risk of office which are equivalent, in respect of the degree of disablement which they cause, to the loss of a limb or which are very severe and likely to be permanent.

214. **Temporary pensions also admissible :-** These rules also provide for grant of temporary pensions which are continued from year to year on the certificate of a Medical Board in certain specified cases as provided for in the rules.

215. **Temporary pensions can be converted into permanent pensions under certain circumstances :-** The temporary pension awarded under these rules may be converted into a permanent injury pension when the government servant is invalidated out of service on account of the injury in respect of which the temporary pension was awarded; or when the temporary pension has been drawn for not less than 5 years; or at any time if the Medical Board certifies that is sees no reason to believe that there will ever be a perceptible decrease in the degree of disablement.

216. **Scale of benefit***s* :- The scale of benefits admissible to widows and children of a Government servant, when the Government servant is killed or dies of injury received as a result of "special risk of office" or "risk of office" as the case may be (as defined in the rules) is admissible at the scale given in the rules (vide Rule 10 of the Extraordinary Pension Rules).

216.1. In the case of widows and motherless children of Government servants governed by the Andhra Pradesh Government Servants (Family Pension) Rules 1964 and the Extraordinary Pensions Rules, who are killed or who die of injury received as a result of "special risk of office" or "risk of office" as the case may be (as defined in the Rules) will be granted family pension under the Extraordinary Pension Rules at the scales, laid down in these rules besides gratuity if admissible under the provisions of Rule 10 of these rules.

216.2 **Payment to widows where more than one widow is left behind and one of whom is totally denied a share in the property left behind** :- In the event of Government servant leaving behind two or more lawful widows, the pension or gratuity admissible under these rules to the widows shall be divided equally among all the widows. If, however, any of widows is totally denied any share in the property of the Government servant under a will or deed made by him, such widow shall be ineligible to receive any award and shall not be taken into account for the purposes of these rules.

216.3 **Payment where any one widow is left behind but is totally denied a share in the property of the deceased** :- In the event of a Government servant leaving behind only one widow who is totally denied any share in the property of the Government servant under a will or deed made by him, she shall be ineligible to receive any award under these rules.

216.4 **Payment where no widow or children are left behind** :- If the deceased Government servant has left neither a widow nor a child, an award may be made to his father and his mother individually or jointly and in the absence of the father and the mother, to minor brothers and sisters, individually or collectively, if they were largely dependent on the Government servant for support and are in pecuniary need; but the total amount of the awards in the case shall not exceed one-half of the pension that would have been admissible to the widow under rule 10; and that each minor brother's and sister's share should not exceed the amount of pension specified in Schedule III (appended to these rules) for a "child who is not motherless".

216.5 Any award made to the father or mother or minor brothers and sisters will, in the event of an improvement in the pecuniary circumstances of the pensioner, be subject to review in such manner, as the State Government may by order prescribe.

217. **Where award under these rules not admissible** :- No award shall be made in respect of :

(i) an injury sustained more than five years before the date of application; or
(ii) death which occurred more than seven years
(a) after the injury due to violence or accident (as defined in the rules) was sustained; or
(b) after the Government servant was medically reported as unfit for duty on account of the decease of which he died.

218. **Date of effect** :- The Family Pension under these rules will take effect from the day following the date of death of the Government servant or from such other date as the State Government may decide.

219. **Tenure of pensions** :- The Extraordinary Family Pensions will be tenable :-

(a) in the case of a widow or mother until death or remarriage whichever occurs earlier.

(b) in the case of a minor son, or minor brother, until he attains the age of 18;

(c) in the case of an unmarried daughter or minor sister until marriage or until she attains the age of 21 whichever occurs earlier; and

(d) in the case of a father, for life.

220. **Procedure for award of Pensions** :- In respect of matters of procedure, all awards under these rules are subject to any procedural rules relating to ordinary pensions to the extent that such procedural rules are, applicable and are not inconsistent with these rules.

220.1 When a claim for any injury pension or gratuity or family pension arises, the head of the office or of the department in which the injured, or the deceased Government servant was employed will forward the claim through usual channel through the Accountant General to the State Government with the following documents :-

(i) A full statement of circumstances in which the injury was received; the disease was contracted or the death occurred;

(ii) The application for injury pension or gratuity in Form A, or as the case may be, the application for family pension in Form B.

(iii) In the case of an injured Government servant or one who has contracted a disease, a medical report in Form C. In the case of a deceased Government servant a medical report as to the death or reliable evidence as to the actual occurrence of death if the Government servant lost his life in such circumstances that a medical report cannot be secured.

220.2 The audit officer shall furnish a report as to whether an award is admissible under the rules and; if so, of what amount.

221. **Extraordinary Pension Rules applicable to air journeys** :- The Extraordinary Pension Rules, Andhra Pradesh shall apply to air journeys also, just as they apply to other modes of journeys according to circumstances of each case. An officer who travel on duty by air under proper authority and receives an injury and the family of an officer who meets with death while so travelling, shall be eligible for compensation under the Extraordinary Pension Rules, Andhra Pradesh, provided the case satisfies the other conditions in these rules. An officer travelling on duty by air should

be regarded as exposed to “special risk of Office” as defined in Rule 3(7) of the Extraordinary Pension Rules, Andhra Pradesh.

(G.O.Ms.No.411, Finance, dated 17th June, 1963)

222. **Where an opinion of Medical Board is shown to be an error of judgement a second Medical Board can be constituted** :- Where the Government are satisfied on the evidence placed before them by a Government servant in respect of whom a medical report for the purpose of grant of wound or other Extraordinary Pension has been received by them, of the possibility of an error of judgement in the decision of the Medical Board which examined him, Government may direct a second Medical Board consisting of members, other than those who constituted the first Medical Board, to examine the officer and submit a report to the Government in the matter; pension shall be granted to the Officer in accordance with the decision of the second Medical Board.

Subject: Request for Immediate Re-Classification of Death of Late SI G. Krishna Murthy (CCS, DD, Hyderabad) from "Expired while in Service (Natural Cause)" to "**Death in the Line of Duty (LODD)/Police Martyr**" Status, and Sanction of Dependent Welfare Benefits.

* * *

HYDERABAD CITY POLICE DEPARTMENT

Reference:

1. Your letter No. HCP/W/W3/0004/2025, dated 10-10-2025, denying the free TSRTC AC Bus Pass benefit.
2. My Mother Smt. Ganti Bhavani's Reply dated 15-10-2025.
3. Available official records confirming death on 03-02-2001 at Trimulgherry Police Station during night duty.

Respected Officer

I, Ganti Vishnu Sharma, son of the dependent late Sub-Inspector G. Krishna Murthy, write this formal representation in response to the denial of dependent welfare benefits, which was based on a restrictive reading of G.O.Ms.No.88/510, limiting eligibility to deaths solely in "extremist violence".

I submit that this administrative classification is fundamentally flawed and inconsistent with prevailing judicial principles and established regional administrative precedent.

The following arguments, supported by an analysis of service jurisprudence, demonstrate the mandatory requirement for the Department to **re-classify my father's death as a Death in the Line of Duty (LODD)**

I. Establishment of LODD Nexus: Cardiac Collapse Due to Service Stress

Late SI G. Krishna Murthy expired due to a heart attack on 03-02-2001 while performing **active official night duty inside the Trimulgherry Police**

Station premises. The collapse occurred at his designated post during active service time.

1. **Judicial Recognition of Stress as LODD:** Indian Courts, including various High Courts, have consistently ruled that a fatal heart attack suffered by a uniformed or public servant while on duty is an **"accident as well as personal injury"** caused during employment. This interpretation recognizes that the psychological stress and physiological strain of police duty, particularly irregular and high-alert shifts like **night duty**, are recognized aggravating factors for cardiovascular events. By collapsing on duty, the necessary link between his employment and the fatality is established.

2. **Administrative Negligence and Duty of Care:** It is respectfully submitted that my father, Late Sri G. Krishna Murthy, Sub-Inspector of Police SIT (CCS, DD, Hyderabad), was medically examined and declared fully fit at the time of his recruitment into the Police Department and was known for his physical discipline, efficiency, and dedication throughout his service. However, after years of continuous and strenuous field work marked by Bandobust duties**,** prolonged patrol duties**, high-pressure investigations, and exposure to operational stress** he developed a **cardiac condition induced by service exigencies**, for which he later underwent treatment and stent implantation. After discharge from hospitals, despite this emerging medical vulnerability being reflected in his service record, the Department continued deploying him to demanding night patrol assignments attached to the Rakshak Patrol Vehicle without medical reassessment or reassignment to light duty, contrary to established safety norms and the administrative obligation to exercise reasonable care toward the health of serving personnel. This disregard of his deteriorating medical condition, compounded by the history of cardiac episodes and duty related road accidents, amounts to **gross administrative negligence**. By compelling a medically fragile officer to continue in high-stress night environments instead of sanctioning day duty or medical invalidation, the Department effectively converted a preventable ailment into a **service aggravated fatality**. On the night of **03-02-2001**, while performing official duty on the Rakshak Patrol Vehicle at **Trimulgherry Police Station**, department made him suffer a fatal cardiac arrest inside the station premises, without noticing he was alone and unwell. The death occurred **squarely in the course of official duty**, failed to immediately assist him or call ambulance during heart attack and stands as a direct consequence of occupational stress and the Department's failure to provide medical safeguards. It therefore

cannot be treated as a natural death but must be recognized as a **Service-Attributable / Line-of-Duty Death**, fully covered under Police Welfare and Government norms applicable to personnel who lose their lives in the performance of official duty.

II. Arbitrary Classification in Violation of Equality (Article 14)

The Department's administrative policy, which treats my father's death as ineligible for Martyr status, stands in direct conflict with an established administrative precedent within the successor state's service framework:

1. **The Precedent of Parity: A.R. Head Constable B. Veerabhadra Rao** (AP Police, successor administration) died on 05-10-2016 due to a **heart attack** while performing Guard HC duty. He was officially **accorded Police Martyr status**.

2. **Discrimination:** There is no intelligible basis to distinguish the collapse of a Head Constable on guard duty (ARHC Rao) from the collapse of a Sub-Inspector on official night duty (SI G. Krishna Murthy) when both suffered the identical physiological failure (heart attack) due to service stress. The denial of LODD classification and dependent benefits to my family, when a comparable officer's death has been officially honoured as Martyrdom, constitutes discriminatory administrative action and a violation of the constitutional principle of Equality (Article 14).

III. Mitigation of Delay (Laches)

The delay in seeking reclassification is not due to inaction but due to administrative failure, which serves to excuse the 24-year lapse

1. **Continuing Wrong:** The misclassification of my father's service death constitutes a continuing source of injury and **the denial of a recurring benefit (Bus Pass) and compassionate appointment** is a continuing wrong. Under Supreme Court guidelines, claims related to continuing welfare benefits are maintainable despite long delays, as they do not affect the settled rights of third parties.

2. **Administrative Non-Disclosure:** The denial of proper classification in 2001 was compounded by the Department's failure to conduct a post-mortem and the lack of disclosure of critical records (Duty Roster, Internal Inquiry Notes). This continued administrative withholding of factual proof necessary to substantiate the stress nexus is the reason the matter remained unsettled.

Prayer for Justice and Administrative Direction

In light of the compelling legal precedents, the irrefutable evidence of service attributability, and the administrative failure to ensure parity, I

respectfully but firmly request that you execute the following directions immediately.

1. **Re-classify the Death:** The service record of Late SI G. Krishna Murthy must be corrected forthwith to reflect the official cause of death as **"Death in the Line of Duty (LODD),"** utilizing this classification for all attendant benefits.
2. **Grant Dependent Benefit:** The denial letter (dated 10-10-2025) must be withdrawn, and the free TSRTC AC Bus Pass for myself, Sri G. Vishnu Sharma, must be **sanctioned immediately**, and effective from the date of the original application (22-09-2025).
3. **Policy Harmonization:** The matter must be forwarded to the Director General of Police, Telangana, with a favourable recommendation for **official Police Martyr recognition**, ensuring that the classification standard aligns with the judicial principles of duty-stress attributability and the precedent set by the Andhra Pradesh Police Martyr listing (B. Veerabhadra Rao).
4. **Furnish Documents:** I reiterate the request for certified copies of the Duty Roster, Welfare Report, and any internal communication/inquiry notes relating to the death on 03-02-2001.

My father died in uniform and at his post while performing the duty assigned by the Department. His dedication deserves official acknowledgment as a service-related sacrifice, not a clinical health failure. I trust you will provide due humanitarian and official consideration to rectify this long-standing injustice.

Yours faithfully,

Ganti Vishnu Sharma

applicant died due to natural cases (Heart Attack), not attributable to Government service, and the applicant is not eligible to EOFP and Ex-Gratia payment, further directing the respondent to grant Extra Ordinary pension and Ex-Gratia payment from the date of the death of petitioner's husband w.e.f. 23.10.2021 under CCS (EOP) Rules and in view of the law laid down by the Hon'ble High Court of Delhi on 26.03.2025 in WP(C) 12256/2022 titled as Sunita Devi Vs UOI & Ors, dt. 15.10.15 in WP(C) 6351/2013, titled as Rajesh Kumari Vs. UOI & Ors and dt. 10.04.19 in WP (C) 2684/2017 titled as Ranju Devi Vs. Union of India & Ors. with all other consequential benefits i.e. the arrears of differences with interest etc."

2. The petitioner is the wife of the late Head Constable/GD Manish Kumar. Her case is that her husband was enrolled with the respondents/Central Reserve Police Force as Constable with effect from 22.03.2001. On 23.10.2021, the husband of the petitioner was assigned duty of maintaining law and order at Ghazipur border during farmer's protest. He had informed the Assistant Commandant/Company Commander about his ill health, resulting the petitioner's husband being sent to common M.I. Room Bawana wherein on medical examination, he was referred to Mahrishi Valmiki Hospital Bawana wherein the Doctors declared him as 'brought dead'. The cause of the death as opined by the Doctors was due to heart attack. A Court of Inquiry was conducted on 20.09.2004 wherein it is established that the husband of the petitioner had died due to Coronary Artery insufficiency and its complications. It is also held the same to be a natural cause of death (heart attack). On 24.10.2021/07.07.2022, a Pension Payment Order was issued granting ordinary family pension. The claim of

the petitioner was for extraordinary pension and *ex gratia* payment.

3. On 20.11.2024, the petitioner submitted her representation for grant of extraordinary family pension and *ex gratia* payment as per Central Civil Services (Extraordinary Pension) Rules, 1939 ["CCS (EOP) Rules]. The respondents declined the request of the petitioner in the month of May, 2025 by referring to Rule 9(2), 10, 11(1) and Schedule B of the CCS (EOP) Rules holding that the death or disability cases are characterised in 5 distinct categories. The case of the death of the husband of the petitioner would as per the respondent fall in category-A, which is defined as death or disability due to natural causes not attributable to Government service, e.g. chronic ailments such as heart and renal diseases, prolonged illness, accidents while not on duty. It was their stand that as the husband of the petitioner has died due to natural causes not attributable to Government service, therefore, she is not eligible to the extraordinary family pension and ex-gratia payment.

4. The submission of Mr. M. K. Gaur, learned counsel for the petitioner is that the issue that death because of heart attack is relatable to stress and strain of the duty and as such, the relatable benefits need to be granted to the dependent of the deceased employee is well settled by the Coordinate Bench of this Court in the case of ***Sunita Devi v. Union of India & Ors., 2025:DHC:2865-DB*** wherein the husband of the petitioner therein had died after suffering cardiac arrest while participating in the Field Physical Efficiency Test.

5. The stand of the respondents therein is that the employee had died because of heart attack and since, heart attack is not a disease, which is caused by stress and strain, in terms of instructions issued at the relevant

time, the wife cannot be granted the extraordinary pension, was negated by this Court by stating in the said judgment in paragraphs 8 and 9 as under:-

> *"8. Diseases affected by stress and strain are enumerated under Head B in Schedule I-A, thus:*
>
> *"(B) Diseases affected by stress and strain:*
>
> *(i) Psychosis and Psychoneurosis;*
> *(ii) Hyperpiesia;*
> *(iii) Hypertension (Blood Pressure);*
> *(iv) Pulmonary Tuberculosis;*
> *(v) Pulmonary Tuberculosis with pleural effusion;*
> *(vi) Tuberculosis - Non-pulmonary:*
> *(vii) Mitral Stenosis;*
> *(viii) Pericarditis and adherent pericardium;*
> *(ix) Endo-carditis;*
> *(x) Sub-acute bacterialendo-carditis, including infective*
> *endocarditis;*
> *(xi) Nyocarditis - acute or chronic;*
> *(xii) Valvular disease;"*
>
> *9. Though, strictly speaking, a heart attack is not included as one of the diseases affected by stress and strain, we are of the opinion that a reasonable and meaningful interpretation has to be accorded to the Schedule. When the Schedule includes hypertension and valvular disease in the list of diseases covered under Head B, as diseases affected by stress and strain, it is irrational and illogical to hold that if a person suffers a heart attack, it would not be covered under the Schedule. This would also render the Schedule prima facie arbitrary, and it is a well settled principle of interpretation that any interpretation which renders a statutory provision to be arbitrary or unconstitutional must be avoided."*

6. Suffice to state that Mr. Gaur during the course of his submissions has

referred to the notification issued by the Ministry of Personnel Public Grievances and Pension on 30.01.2023 wherein the Ministry has issued a notification, notifying the Rules called the Central Civil Services Extraordinary Pension Rules, 2023 whereby under Rule 4(d)(12), which deals with the diseases effected by stress and strain, the respondents have included heart attack and cardio related diseases.

7. On the other hand, the counsel for the respondents would justify the impugned order of May, 2025 of the respondents stating that in the given facts, the death of the husband of the petitioner is not attributable to Government service. More specifically, in view of the instructions existing at the time of the death of husband of the petitioner.

8. Having heard the learned counsel for the parties, it is a conceded position that the husband of the petitioner had complained of his illness when he was assigned duty of maintaining law and order at Ghazipur border and he was taken to the hospital where he was declared 'dead'. The conclusion drawn by Doctors is that as the same was because of the heart attack. The issue as to whether heart attack can be construed as a disease effected by stress and strain has been conclusively decided by the judgment of the Coordinate Bench in the case of ***Sunita Devi (supra)***.

9. If that be so, the only stand taken by the respondents that the heart attack cannot be considered as a disease effected by stress and strain on the date of death cannot be accepted as the said issue is covered by the judgment of Coordinate Bench in ***Sunita Devi (supra)***.

10. We, accordingly, quash the impugned communication of May, 2025 and hold that the petitioner shall be entitled to extraordinary pension and *ex*

gratia compensation as would be payable to the petitioner from the date of the death of her husband and the same shall be paid within a period of twelve weeks from the date of receipt of copy of this order.

11. With the above directions, we dispose of the present petition.
